

# Swale and Maidstone Joint HR Policy Group

## Community Impact Assessment Initial Assessment

## Equality Impact Assessment Initial Assessment

The initial assessment is a quick and easy screening process. It should:

- identify those policies, projects, services, functions or strategies which require a full:-

Community Impact Assessment (CIA) – Swale  
Equality Impact Assessment (EIA) – Maidstone

by looking at:

- ❖ negative, positive or no impact on people that possess any of the protected characteristics
- ❖ opportunity to promote equality for people that possess any of the protected characteristics
- ❖ data / feedback
- prioritise if and when a full assessment should be completed
- justify reasons for why a full assessment is not going to be completed

### Step 1 - Identify Aims

#### Q1. What Are the Aims of Your Policy, Function or Service?

- improve and maintain the standard of work performance of an employee, through advice, guidance and support, with the emphasis on developing performance improvement plans to reach the required standard
- ensure all employees are treated in a fair, consistent and understanding manner in relation to capability issues
- to ensure the Council is fair employer, meeting all relevant legal requirements regarding capability related decisions
- support managers in carrying out their responsibilities for the maintenance of high standards of work performance by all employees
- contribute towards the improvement of the performance and effectiveness of the Council.

**Q2. Who Is Going To Benefit From This Policy, Function Or Service and How?**

The policy should benefit both employees and the employer as it ensures key learning and development needs are recognised and addressed early on ensuring that employees are given the opportunity to address these before the matter gets too serious.

**Step 2 - Assess Potential Impact**

**Q3. Thinking about each of the groups below, does, or could the policy, function, or service have a negative impact on people who possess the protected characteristics below?**
