

MAIDSTONE BOROUGH COUNCIL

RECORD OF DECISION OF THE HEAD OF PLANNING

Decision Made: 4 October 2013

Neighbourhood Plan Area Application

Issue for Decision

To consider Loose parish as a Neighbourhood Plan Area.

Decision Made

The neighbourhood area submitted by Loose Parish Council to Maidstone Borough Council on 11th February 2013 is **approved**.

Reasons for Decision

Consultation

Consultation commenced on Monday 29 July 2013 and ended at 5pm on Friday 6 September 2013. The consultation was advertised as follows:

1. Note distributed to all households in the parish at start of consultation period
2. Neighbourhood Plan Area application (including a map) posted on Maidstone Borough Council's website and on Loose Parish Council's website
3. Poster advertising the consultation on notice boards in the parish
4. Ward members and adjoining ward members were made aware of the consultation via email

Representations Received During Consultation

One representation was received in support of the application. No objections were received.

Considerations

1. Does the proposed plan area follow existing, established administrative or planning boundaries?
YES – the proposed plan area follows the existing parish boundary
2. Does it exclude areas which in planning terms it would be more appropriate to include (for example where planning designation or development location straddles a parish boundary)
NO
3. Does it overlap with another approved neighbourhood area (this is not permitted)
NO

Conclusion

Loose Parish Council will be preparing the neighbourhood plan and are considered a relevant body¹ under the Localism Act 2011. No objections were received during consultation and the proposed plan area (see map below) meets the criteria set out above. The plan area is considered acceptable in planning terms and the parish council has followed due process in line with the Neighbourhood Planning (General) Regulations, Part 2, S. 5(1). Loose Parish Council is keen to promote community involvement with the plan, which it is hoped will provide a sound framework for the future sustainable planning of the village and its surrounding areas.

Alternatives considered and why rejected

The decision to approve the neighbourhood plan area has been made for the reasons stated above. The alternative is to reject the application but the council is satisfied that due process has been followed and no representations were made during the consultation to suggest the geographic area of the parish should not form the Neighbourhood Plan Area.
