Maidstone Borough Local Plan Examination

Session 6A – Maidstone and 'other urban area' housing

Qn6.18 Is the Council proposing a modification to Policy H2(1) to provide for the increased yield from 700-990 dwelling and is that adequately justified?

- 1 See answer to question 5.3 in relation to Matter 5(a)

Qn6.20 What is the up-to-date position on the availability of Invicta Park Barracks?

- 3 The most up to date position published by the Council is a letter from the Defence Infrastructure Organisation dated 18th May 2016, and published as Appendix E to SUB 005. That letter confirms that no decision has been made as to whether or not the site will actually be surplus to requirements and made available for disposal. The letter notes that the strategy and its **likely** programme are due to be reported in Autumn 2016, Gladman do not therefore consider that the site can currently be considered developable in accordance with Footnote 12 of the NPPF.
