

Text of email from Programme Officer to MBC 28th September, 2016:-

"Couple of points the Inspector has asked me to raise with you in relation to session 2B.

The first is that he has asked me to apologise if his question 2.16 was unclear, but reading the written statement from the Council, it appears that it has been misinterpreted. In response to this question he was seeking specific comments on the CPRE suggested amendments to Policy DM12 that were set out on the schedule which supplemented R1952 and which was listed as R19553, and he has asked me to advise you that he will be seeking a response at the hearing sessions.

The other point he has asked me to raise is that as Headcorn PC will now be participating in the hearing he will be seeking a response from the Council to Headcorn PC's representation R19281 which seeks, in relation to Policy DM12, that the density for Rural Service Centres is set at a maximum of 30dph in line with the emerging Headcorn Neighbourhood Plan"

Louise
