Subject: Re: Maidstone Local Plan Hearings
Date: 6 December 2016 at 13:32:17 GMT
To: Clerk <clerk@headcornpc.org.uk>

Dear Caroline,

Responding to your letter of 5th December, 2016, the Inspector has noted the Parish Council's comments concerning the factual content of the emerging Headcorn Neighbourhood Plan and will take those into account.

Whilst he is not required to take account of new representations submitted at this stage of the examination process, where the letter repeats earlier duly made representations concerning the spatial strategy of the Local Plan, as also expanded upon by Dr Driver at the hearing sessions, he is able to take those into account.

If and when Main Modifications to the Local Plan are published for public consultation there will be a further opportunity for the parish council to comment on the changes.

Your letter and this response will become an examination documents with the reference number ED101 and will be uploaded to the website as soon as possible.

Kind regards,

Louise
