 - (2) Subject to paragraph 6, the amount of each such allowance shall be the amount specified against that special responsibility in that schedule.
 - (3) No more than one special responsibility allowance can be paid to any single Councillor or Co-opted Member at one time and that the allowance to be paid be the highest that the Councillor or Co-opted Member is entitled, with the exception it will not preclude any person who receives a special responsibility allowance from being paid such an allowance for attendance at Licensing Panel Hearings.

(1) The provisions of this paragraph shall have effect to regulate the entitlements of a Councillor to basic and special responsibility allowances where, in the course of a year, this scheme is amended or that Councillor becomes, or ceases to be, a Councillor, or accepts or relinquishes a special responsibility in respect of which a special responsibility allowance is payable.
- (2) If an amendment to this scheme is made which affects payment of a basic allowance or a special responsibility allowance in the year in which the amendment is made, then in relation to each of the periods
 - (a) beginning with the year and ending with the day before on that which the first amendment in that year takes effect, or
 - (b) beginning with the day on which an amendment takes effect and ending with the day before that on which the next amendment takes effect, or (if none) with the year,the entitlement to such an allowance shall be to the payment of such part of the amount of the allowance under this scheme as it has effect during the relevant period as bears to the whole the same proportion as the number of the days as the period bears to the number of days in the year.
- (3) Where the term of office of a Councillor begins or ends otherwise than at the beginning or end of a year, the entitlement of that Councillor to a basic allowance shall be to the payment of such part of the basic allowance as bears to the whole the same proportion as the number of days during which his term of office subsists bears to the number of days in that year.
- (4) Where this scheme is amended as mentioned in sub-paragraph (2), and the term of office of a Councillor does not subsist throughout a period mentioned in sub-paragraph (2) the entitlement of any such Councillor to a basic allowance shall be to the payment of such part of the basic allowance referable to each such period (ascertained in accordance with that sub-paragraph) as bears to the whole the same proportion as the number of days during which his term of office as a Councillor subsists in that period bears to the number of days in that period.
- (5) Where a Councillor or Co-opted Member has during part of, but not throughout, a year such special responsibilities as entitle him or her to a special responsibility allowance, that Councillor's or Co-opted Member's entitlement shall be to payment of such part of that allowance as bears to the whole the same proportion as the number of days during which he or she has such special responsibilities bears to the number of days in that year.

- (6) Where this scheme is amended as mentioned in sub-paragraph (2), and a Councillor or Co-opted Member has during part, but does not have throughout the whole of any period mentioned in sub-paragraph (2) of that paragraph any such special responsibilities as entitle him or her to a special responsibility allowance, that Councillor's or Co-opted Member's entitlement shall be to payment of such part of the allowance referable to each such period (ascertained in accordance with that sub-paragraph) as bears to the whole the same proportion as the number of days in that period during which he or she has such special responsibilities bears to the number of days in that period.
