Reasons for Decision

To publish information to the public on our performance and achievements over the last municipal year.

The Annual Report will be designed, placed on our website, published within Borough Update in the Downsmail and distributed to stakeholders.

The Cabinet raised a few minor queries with regard to the Annual Report and these will be addressed prior to publication.

Alternatives considered and why rejected

It is important that we provide the public with information about how well we perform, not to do so would go against our wish to inform and engage the public.
