

Office interest and current “move-on” needs as at 21 June 2015

Office 1 (six person)

Currently occupied by four collaborating companies – one of which needs the whole office (six desks) from September -this creates need for either: one three-person or two, two-person units.

Office 6 (three-person)

Moved out on 6 June as we could not provide a four/five person office: taken by Social media business previously waiting on the desks, and likely to expand within the next nine months.

Currently two businesses (three people) – but looking to expand later this year and will need at least a four-person unit
