Page 50:

The reasons for referral to the committee are amended to note that Councillor Powell did not state he objected to the application but instead requested that the application be referred to the committee as a result of various concerns including parking provision in the residential area, the footway crossing, drainage and visual appearance and plans

Paragraph 4.01 Page 51:

This paragraph is amended to remove reference to an objection by Cllr Powell and instead read as follows;

Cllr Powell has called the application into committee as a result of concerns regarding parking, footway crossing, drainage grounds and visual amenity and requires the application to be determined by the Planning Committee

My recommendation remains unchanged.
