**Representation:**

Since the completion of the report, Headcorn Parish Council has submitted one further representation on 03.03.17:

*"The Chair and committee reviewed the committee report and their original refusal remains valid but if the committee wish to support this application then condition 2 must read*

*"the use hereby permitted shall only be open to car wash customers within the following times:  
Mondays to Fridays, 08:00 – 18:00, Saturdays 08:00 – 18:00 and Sundays and Bank Holidays  
09:00 – 16:00hrs"*

**Recommendation:**

**That condition 2 remains unchanged.**

**Officer Comment:**

With apologies, I note that the incorrect date for the proposed use to discontinue is shown within the summary of reasons for recommendation. As such, it is recommended to amend the summary of reasons for recommendation to allow the use to operate for two years following the submission of details, as follows (changes in bold):

The application is considered to be acceptable subject to the condition that the opening hours are restricted to match those of the car wash and that the use is discontinued on or before **31/12/2019**

**Recommendation:**

**Recommendation remains unchanged**
