**Pre-Action Protocol Letter (PAPL) from Dr Rebecca Driver**

A PAPL dated 27<sup>th</sup> November (a copy of which is attached for your information purposes only) has been received. Officers have considered the contents of the PAPL but it does not change the officer's recommendation.

**Representation**

1 representation has been received from a local resident raising objections to the proposal in terms of highway safety; noise; and air pollution. These issues have been addressed in the committee report and no further comments are necessary in this respect.

**Recommendation remains unchanged**
