

Dear Sir/Madam

I am writing to strenuously oppose the application for a licence to sell alcohol until 2300 hrs at the below mentioned property

1 Buckingham Drive

Harrietsham

Maidstone

Kent

ME17 1GF

I feel as though this application is not taking into consideration of the local community of which are in close proximity of the mentioned property, with the allocated parking within yards of said properties.

I also feel that the said property should not have a closing time of no later than 2100 hrs

Again my reasoning for this is the negative impact this shop will have on the local community

I sincerely hope my concerns are taken into account when issuing the license for said property, as I am sure you would not want the noise, parking issues and the possibility of the gathering of people yards from your house after 2100hrs

Regards

Mr M Cooper
