 - Health inequalities are addressed and reduced
 - Deprivation is reduced and social mobility is improved

Embracing Growth and Enabling Infrastructure

We want Maidstone Borough to work for the people who live, visit and work; now and in the future. We want a Borough where there is a variety of jobs, housing need is met and infrastructure is in place to meet the growing needs of our residents and economy. We also want to ensure we lead and shape our place as it grows, including leading master planning and investing to bring about high quality housing and jobs in the Borough.

Snapshot

- As of 2017 we had 167,700 people living in the Borough
- Our population is forecast to grow by 24.3% between 2016 and 2036
- From 2011/12-2017/18 a total of 5,291 new homes have been built in the Borough
- In 2017/18 the employment rate was 78.5% (83,400 people) up from the same period in the previous year by 3.9%
- In 2018 the average home broadband speed was around 46.2Mbps, up from 36.2Mbps in 2017
- Better transport systems is the second highest priority for our residents

Our Outcomes:

- The Council leads master planning and invests in new places which are well designed
- Key employment sites are delivered
- Housing need is met including affordable housing
- Sufficient infrastructure is planned to meet the demands of growth

Between 2019-24 we will place particular importance on:

- Engaging with our communities on the Local Plan review 
- The Council will take a proactive role in creating and investing in new places 
- Expanding the Council's role in the delivery of affordable and market rent housing 
- Working with partners to get infrastructure planned, funded and delivered 
- Intervening where necessary in the market, to deliver key employment sites 

Safe, Clean and Green

We will keep Maidstone an attractive and clean place for all. Maidstone is a safe place to live and we want our residents to feel safe. We want to protect and where possible enhance our environment and make sure our parks, green spaces, streets and public areas are looked after, well managed and respected.

Snapshot

- Over 50% of waste is recycled
- The town centre and its immediate surrounds have been designated as an Air Quality Management Area
- Maidstone has 30 large parks, four of which are Green Flag parks and 80 Neighbourhood greenspaces
- Just over 40% of residents use amenity green space once a week
- Overall, 70.5% of respondents were very or fairly satisfied with their local area as a place to live
- 93% of residents feel safe in their own home, but 22% don't feel safe walking in their local area at night

Our Outcomes:

- People feel safe and are safe
- A Borough that is recognised as clean and well cared for by everyone

Between 2019-24 we will place particular importance on:

Homes and Communities

We want to have a place that people love and where they can afford to live. This means ensuring that there is a good balance of different types of homes, including affordable housing. We will have safe and desirable homes that enable good health and wellbeing for our communities. We will address homelessness and rough sleeping to move people into settled accommodation. We will work with our partners to improve the quality of community services and facilities including for health care and community activities. Residents will be encouraged and supported to volunteer and play a full part in their communities.

Snapshot

- In 2018 we provided emergency accommodation for in excess 30 people sleeping rough
- On average people could expect to pay 9 times their annual earnings in 2018 compared to 7 times in 2007
- Only 22% of residents agree their neighbourhood is a place where homes are affordable
- Three of our wards rank in the top 10% for deprivation in Kent

Our Outcomes:

- A diverse range of community activities is encouraged
- Existing housing is safe, desirable and promotes good health and well-being
- Homelessness and rough sleeping are prevented
- Community facilities and services in the right place at the right time to support communities

Between 2019-24 we will place particular importance on:
