

Audit, Governance & Standards Committee

Annual Report 2018/19

Introduction

Maidstone Borough Council has always supported and understood the value and benefits of having an independent Audit Committee. The role of the committee was expanded in 2015 when the Council established the Audit, Governance and Standards (AGS) Committee. Its functions incorporate those undertaken by the former Audit Committee as well as some of the functions previously the responsibility of the Standards Committee.

The AGS Committee is an essential check on the corporate governance framework, providing an independent and high-level overview of internal control, governance and risk management for the Council.

The Committee monitors internal and external audit activity, reviews and comments on the effectiveness of the Council's regulatory framework and reviews and approves the Council's annual statements of accounts.

The Committee is independent from the Council's executive management and Service Committee functions and has clear reporting lines and rights of access to discharge its responsibilities in line with its Terms of Reference (Appendix I). This includes direct access to the Council's Appointed Auditor and Head of Audit Partnership without the presence of other officers where appropriate.

The Committee is not a substitute for the management function in relation to internal or external audit, risk management, governance, or any other review or assurance function. It is the Committee's role to examine these functions, and to offer views and recommendations on the way the management of these functions is conducted.

Sources of Assurance

In drawing a conclusion for the year, the Audit, Governance and Standards Committee gained assurance from the following sources:

The Work of Internal Audit
The Head of Audit Partnership issued an unqualified Head of Audit Opinion for 2017/18 which concluded that the Council was operating a sound system of internal control, governance and risk management.
Throughout the year the Committee has been kept up to date with delivery of the Internal Audit plan and the implementation of audit recommendations. It has also been kept aware of emerging risks and the risk management process.
The Internal Audit plan for 19/20 included a breakdown of internal audit assurance work for the coming year, and the Committee were given the opportunity to comment on the work of internal audit prior to endorsing the plan for delivery.
The Work of External Audit (Grant Thornton)
The external auditors report back to the Audit, Governance and Standards Committee providing regular updates on their programme of work. During the year, the External Auditors presented an unqualified value for money conclusion and an unqualified opinion on the financial statements.
The Committee has provided effective challenge to the External Auditors as appropriate and gained assurance from the reports and updates provided during the year.
Finance & Governance Reports
The Committee provided challenge prior to approving the statements of accounts and financial statements in July 2018.
The Committee receives updates on the Council's Treasury Management activity and has provided robust challenge and comment to the overall Strategy and performance of investments.
Assurance is obtained from the Annual Governance Statement which the Committee reviews and approves. The statement is produced following a review of the Council's governance arrangements and includes actions addressing any significant governance issues identified. The Committee receives updates on progress towards remedying these issues throughout the year.
Updates on the implementation of General Data Protection Regulation action plan, and progress towards achieving compliance with the new legislation.

Dealing with complaints about Council Members

The Localism Act 2011 obliges Councils to have both a Code of Conduct and a procedure for dealing with allegations that a member has breached that Code of Conduct. The Act further provides that the District/Borough Council for the area is responsible for dealing with complaints against all the Parish and Town Councillors for its area as well as dealing with complaints against Borough Councillors.

Full Council, at its meeting on 5 July 2012, resolved to adopt the 'Kent Procedures' for dealing with Member Complaints. Under the procedures, authority is delegated to the Monitoring Officer to make an initial assessment of the complaint (in consultation with the Independent Person appointed under the provisions of the Localism Act 2011) and, if appropriate, the Monitoring Officer will seek to resolve the complaint informally. If it is decided the complaint should be investigated, then following that investigation a Sub-Committee of the Audit, Governance and Standards Committee will determine the complaint.

The Localism Act 2011 sets out the role of the Independent Person in any procedures designed for investigating allegations that a member has breached the Code of Conduct. The Independent Person's views must be sought and taken into account prior to a decision being made following an investigation into a complaint. The Independent Person's views may also be sought at other times during the process. The appointment of the Council's Independent Person, Ms Barbara Varney, was extended in July 2017, for 3 years, by the Democracy Committee.

During the year ending 31 March 2019, 17 new Member complaints were received. Six of the complaints related to Borough Councillors with the remaining complaints relating to parish councillors.

- 7 concluded there was no breach.
- 6 were resolved through informal resolution.
- 3 were not concluded due to lack of response from the complainant.
- 1 was rejected as failed one or more of the legal jurisdiction tests.

Member Development

As part of this annual report the Committee agrees a programme of development briefings. These are delivered prior to each Committee meeting, and the invitation is extended to all Members not just those on the Committee. For 2018/19 Members continued to show an interest to continually develop their knowledge and skills and as such the following sessions were delivered over the year:

- Delivering an internal audit
- Risk Management
- Recharging
- Role of the Audit Committee
- Financial Statements

Proposed Programme 2019/20

The table below details a proposed programme of updates and briefings that could be delivered during 2019/20. Other areas could be added, including those of more specific local interest, or skills / knowledge development in line with CIPFA's recent position statement 2018 (see appendix II). Any of these development briefings can be added or adapted at the request of the Committee.

Member training remains a high priority and we are currently looking at alternative methods for presenting these sessions such as webcasting. The first briefing is to be on Member Standards and below are possible other topics for inclusion in the Member development program for 2019/20:

- Assurance across the partnerships;
- Role of internal and external audit;
- Internal Audit Standards;
- Assurance on value for money;
- Treasury Management;
- Reviewing the Annual Governance Statement.

Conclusion

The Audit, Governance & Standards Committee, in partnership with the Council's Internal and External Auditors, and with the support of Officers has provided robust and effective independent assurance to the Council on a wide range of risk, governance and internal control areas.

The Audit, Governance & Standards Committee can demonstrate that it has appropriately and effectively fulfilled its duties during 2018/19.
