River Wood, Chegworth Lane, Harrietsham

Officers request that this item is removed from the committee agenda as there is currently no valid planning application for members to consider.

The applicant's agent has confirmed that the certificate of ownership (Certificate A) submitted with the original application was incorrect as the applicant does not own all of the land within the application site boundary. As a result of this situation the submitted planning application is currently invalid.

Officer recommendation – remove from the committee agenda
