

## Community Infrastructure Levy: Charging Schedule – Regulation 123 List

Regulation 123 of the CIL Regulations (as amended) requires a council to identify the infrastructure types and/or projects which it intends will be, or may be, wholly or partly funded through the CIL. The inclusion of a project or type of infrastructure in the Regulation 123 List does not represent a commitment from the council to fund it, either in whole or in part. The order of the table does not imply any order of preference for the use of CIL receipts.
