**2. INTRODUCTION AND BACKGROUND**

- 2.1 Money laundering involves the “cleaning” of illegal proceeds in order to disguise their criminal origin. The proceeds of criminal activity, usually cash, but also other illegally gained assets, are introduced into the organisation’s systems where they are processed, enabling them to leave the systems appearing to come from a legitimate source.
- 2.2 The Proceeds of Crime Act 2002, the Terrorism Act 2000 and Money Laundering Regulations 2017 place obligations on the Council to establish internal procedures to prevent the use of their services for money laundering and the prevention of terrorist financing. The Council must also appoint a Money Laundering Reporting Officer (MLRO) to receive disclosures of money laundering activity.
- 2.3 The previous policy drafted in October 2014 is required to be updated and adopted by this Committee due to the changes within the Money Laundering Regulations 2017. There is a more due diligence around checking perceived higher risk customers and where funds have been received, using a general risk based approach in respect to money laundering. These have been included within the updated policy as shown within **Appendix A**.
- 2.4 Accompanying this policy is a guidance document that sets out the procedures, which must be followed (for example reporting of suspicions of money laundering activity) to enable the Council to demonstrate compliance with its legal obligations.
- 2.5 The officer to receive disclosures about money laundering activity is the Money Laundering Reporting Officer (MLRO). The nominated officer must be someone within the Council, who
  - can be trusted with the responsibility
  - is senior enough to have access to all your customer files and records
  - can decide independently whether or not they need to report suspicious activities or transactions - a decision that could affect your customer relations

The nominated person for this role is Mark Green, Director of Finance & Business Improvement (Section 151 Officer).

- 2.6 Whilst Local Authorities are not directly covered by the requirements of the Money Laundering Regulations 2017, guidance from finance and legal professions, including the Chartered Institute of Public Finance and Accounting (CIPFA), indicates that public service organisations should comply with the underlying spirit of the legislation and regulations.
- 

### **3. AVAILABLE OPTIONS**

- 3.1 **Option 1:** The Committee could decide not to adopt the policy. However, the Chartered Institute of Public Finance and Accounting (CIPFA), indicates that public service organisations should comply with the underlying spirit of the requirements of the Money Laundering Regulations 2017 in establishing internal procedures to prevent the use of their services for money laundering and the prevention of terrorist financing. The Council must also appoint a Money Laundering Reporting Officer (MLRO) to receive disclosures of money laundering activity.
- 3.2 **Option 2:** Subject to any legal obligations placed upon the Council, the Committee could amend the draft policy.
- 3.3 **Option 3:** The Committee could agree the attached policy. The attached policy has been produced in line with current guidance from the Proceeds of Crime Act 2002, the Terrorism Act 2000 and Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017.
- 

### **4. PREFERRED OPTION AND REASONS FOR RECOMMENDATIONS**

- 4.1 The recommended option is Option 3, to adopt the Anti-Money Laundering Policy & Guidance and to appoint Mark Green as the Money Laundering Reporting Officer (MLRO).
- 4.2 As stated above, the policy has been produced in line with current guidance from the Proceeds of Crime Act 2002, the Terrorism Act 2000 and Money Laundering Regulations 2017.
- 

### **5. RISK**

- 5.1 This report discusses the risk of money laundering within the Council and is designed to make all relevant stakeholders aware of what constitutes money laundering and the procedures for reporting such incidents.
- 

### **6. CONSULTATION RESULTS AND PREVIOUS COMMITTEE FEEDBACK**

- 6.1 None.

---

## **7. NEXT STEPS: COMMUNICATION AND IMPLEMENTATION OF THE DECISION**

7.1 Once the policy has been adopted by this Committee, it will be communicated to all relevant staff within the Council.
