## Retail Relief Policy

## **1. Introduction and Purpose**

The Government announced in the Budget on 29 October 2018 that it will provide a Business Rates Retail Discount scheme for occupied retail properties with a rateable value of less than £51,000 in each of the years 2019-20 and 2020-21.

This document provides guidance about the operation and delivery of the policy, including:

Factors that should be considered when making a decision to award or refuse relief;

Arrangements to delegate authority to award relief in appropriate circumstances;

Appeals procedure for customers dissatisfied with the Council's decision;

If you would like further advice on application of the scheme please contact the Business Rates section at [businessrates@midkent.gov.uk](mailto:businessrates@midkent.gov.uk)

## **2. How the relief will be provided**

As this is a measure for 2019-20 and 2020-21 only, the Government is not changing the legislation around the reliefs available to properties. Instead the Government will, in line with the eligibility criteria set out in this guidance, reimburse the Council where it uses its discretionary relief powers, introduced by the Localism Act (under section 47 of the Local Government Finance Act 1988, as amended) to grant relief.

It is for the Council to decide on the scheme which they chose to adopt and decide in each individual case when to grant relief under section 47.

## **3. Which properties will benefit from the relief**

Properties that will benefit from the relief will be occupied properties listed for rating (a hereditament) with a rateable value of less than £51,000 that are wholly or mainly being used as shops, restaurants, cafes, drinking establishments, cinemas and live music venues (changed from 1 April 2020).

We consider shops, restaurants, cafes, drinking establishments, cinemas and live music venues to mean:

Hereditaments that are being used for the sale of goods to visiting members of the public:

Shops (such as: florist, bakers, butchers, grocers, greengrocers, jewellers, stationers, off licences, chemists, newsagents, hardware stores, supermarkets, etc)

Charity shops

Opticians

Post offices

Furnishing shops/ display rooms (such as: carpet shops, double glazing, garage doors)

Car/ caravan show rooms

Second hand car lots

Markets

Petrol stations

Garden centres

Art galleries (where art is for sale/hire)

Hereditaments that are being used for the provision of the following services to visiting members of the public:

Hair and beauty services (such as: hairdressers, nail bars, beauty salons, tanning shops, etc)

Shoe repairs/ key cutting

Travel agents

Ticket offices e.g. for theatre

Dry cleaners

Launderettes

PC/ TV/ domestic appliance repair

Funeral directors

Photo processing

Tool hire

Car hire

Hereditaments that are being used for the sale of food and/ or drink to visiting members of the public:

Restaurants

Takeaways

Sandwich shops

Coffee shops

Pubs

Bars

Hereditaments which are being used as cinemas (changed from 1 April 2020)

Hereditaments that are being used as live music venues (changed from 1 April 2020):

– live music venues are hereditaments wholly or mainly used for the performance of live music for the purpose of entertaining an audience. Hereditaments cannot be considered a live music venue for the purpose of business rates relief where a venue is wholly or mainly used as a nightclub or a theatre, for the purposes of the Town and Country Planning (Use Classes) Order 1987 (as amended).

– Hereditaments can be a live music venue even if used for other activities, but only if those other activities (i) are merely ancillary or incidental to the performance of live music (e.g. the sale/supply of alcohol to audience members) or (ii) do not affect the fact that the primary activity for the premises is the performance of live music (e.g. because those other activities are insufficiently regular or frequent, such as a polling station or a fortnightly community event).

– There may be circumstances in which it is difficult to tell whether an activity is a performance of live music or, instead, the playing of recorded music.

Although we would expect this would be clear in most circumstances, guidance on this may be found in Chapter 16 of the statutory guidance issued in April 2018 under section 182 of the Licensing Act 2003.

To qualify for the relief the hereditament should be wholly or mainly being used as a shop, restaurant, café, drinking establishment, cinema and live music venue (changed from 1 April 2020). In a similar way to other reliefs (such as charity relief), this is a test on use rather than occupation.

Hereditaments which are occupied but not wholly or mainly used for the qualifying purpose will not qualify for the relief.

The list set out above is not intended to be exhaustive as it would be impossible to list the many and varied retail uses that exist. There will also be mixed uses.

The list is intended to be a guide as to the types of uses that the Council considers for this purpose to be retail.

The Council will determine whether particular properties not listed are broadly similar in nature to those above and, if so, to consider them eligible for the relief.

Conversely, properties that are not broadly similar in nature to those listed above should not be eligible for the relief.

#### **4. Properties that will NOT qualify for relief**

The list below sets out the types of uses that the Council does not consider to be retail use for the purpose of this relief. Again, the Council will determine whether particular properties are broadly similar in nature to those below and, if so, to consider them not eligible for the relief under their local scheme.

Hereditaments that are being used for the provision of the following services to visiting members of the public:

Financial services (e.g. banks, building societies, cash points, bureaux de change, payday lenders, betting shops, pawn brokers)

Other services (e.g. estate agents, letting agents, employment agencies)

Medical services (e.g. vets, dentists, doctors, osteopaths, chiropractors)

Professional services (e.g. solicitors, accountants, insurance agents/ financial advisers, tutors)

Post office sorting offices

Hereditaments that are not reasonably accessible to visiting members of the public:

Theatres

Museums

Nightclubs

Gyms

**5. How much relief will be available**

The total amount of retail relief available for each property for each of the years under this scheme was 1/3<sup>rd</sup> of the net Business Rates payable.

The Government announced that for 2020-21 the amount of retail relief available is 50% of the net Business Rates payable.

There is no relief available under this scheme for properties with a rateable value of £51,000 or more.

The eligibility for the relief and the relief itself will be assessed and calculated on a daily basis. A new hereditament created as a result of a split or merger during the financial year, or where there is a change of use, should be considered afresh for the relief on that day.

The following formula should be used to determine the amount of relief to be granted for a particular hereditament in the financial year:

The amount of relief to be granted for 2019-2020 =

$$\frac{V}{3} \text{ where}$$

V is the daily charge for the hereditament for the chargeable day after the application of any mandatory relief and any other discretionary reliefs.

The amount of relief to be granted for 2020-21 =

$$\frac{V}{2}$$

The relief will be applied against the net bill after all other reliefs.

This will be calculated ignoring any prior year adjustments in liabilities which fall to be liable on the day.

Ratepayers that occupy more than one property will be entitled to relief for each of their eligible properties, subject to State Aid de minimis limits.

## **6. State Aid**

State Aid law is the means by which the European Union regulates state funded support to businesses. Providing discretionary relief to ratepayers is likely to amount to State Aid.

Retail Relief will be State Aid compliant where it is provided in accordance with the De Minimis Regulations (1407/2013).

The De Minimis Regulations allow an undertaking to receive up to €200,000 of De Minimis aid in a three year period (consisting of the current financial year and the two previous financial years).

To administer De Minimis it is necessary for the local authority to establish that the award of aid will not result in the undertaking having received more than €200,000 of De Minimis aid.

Where the Council makes an award based on an assumption that the undertaking will not be in receipt of more than €200,000 of De Minimis aid, an explanatory note will be provided and the undertaking requested to contact the Council where they believe they have may or have reached the De Minimis threshold. In such instances the council reserves the right to withdraw.

## **7. Period of Award and Backdating**

This is a measure for 2019-20 and 2020-21 only. Where the Council has reason to believe (based on the information held) that the criteria for relief has been met, it will make an annual award at the start of each financial year 2019-20 and 2020-21.

Where liability starts, ends or changes part way through a year entitlement to relief will be reviewed in line with the guidance set out above.

The council will not accept any backdated requests for relief beyond the end of financial year for which relief is being claimed.

## **8. Decision making and appeals**

Where the Council has reason to believe (based on the information held) that the criteria for relief has been met, it will award relief without the need for an application.

In all other circumstances an application will be required in writing setting out how the criteria for relief have been met.

In the interests of efficiency, the authority to consider applications is delegated to the Revenues Manager, who will ensure that a decision is notified in writing within 21 days of receipt of application or as soon as is reasonably practical thereafter.

Any appeal against the decision to award or not award relief or against the level of relief must be made in writing within four weeks of notification of the decision.

Authority to consider appeals is delegated to the Head of Revenues and Benefits Partnership who will notify the applicant of the final decision in writing within 10 days as to whether an appeal is refused or accepted, with a full explanation of the reasons for the decision.
