Outside Body Report

Outside Body	Kent Community Railway Partnership Steering Group
Councillor(s) represented on the Outside Body	Clive English
Report Author	Clive English
Date of Outside Body Meeting Attended	6th February

Purpose of the External Board/Outside Body:

To coordinate community involvement in the Medway Valley and Swale Lines, and to promote and enhance the provision of rail services to the community

Update:

The most recent meeting was of the Medway valley section on 6th February which agreed the main activities and objectives for the coming year and reported on ongoing activities, including station adoption, events such as the music train and the St Pancras Community Rail day (promoting the Medway Valley Line to visitors and travellers), a number of educational and public access projects and making representations on a number of Local Plans to secure improvements in the travelling infrastructure.
