

## Communities, Housing and Environment Committee

17/03/20

### Outside Body Report

<b>Outside Body</b>	Collis Millennium Green Trust
<b>Councillor(s) represented on the Outside Body</b>	Clive English
<b>Report Author</b>	Clive English
<b>Date of Outside Body Meeting Attended</b>	01/02/20

#### **Purpose of the Outside Body:**

Preservation and Enhancement of the Collis Millennium Green as a public open space and community asset.

#### **Update:**

The main recent activity has been updating the work programme to take account of proposed and current tree works and planting schedules, and ongoing maintenance, along with planning the 3<sup>rd</sup> Festival of Colours (Holi) event that will have taken place on the first weekend in March.

This is a well- supported community event designed to celebrate Maidstone's multicultural heritage and to raise funds for the improvement of the Park.

The next meeting of the Committee will be considering the next stages of these improvements.
