This policy sets out the Council's approach for managing street trading in the district and the process for applications and making decisions.

This new revised policy was approved by the Licensing Committee on and came into effect on.....

2 WHAT IS STREET TRADING?

2.1 Definitions and Resolution

2.1.1 The Local Government (Miscellaneous Provisions) Act 1982 defines street trading as the selling or exposing or offering for sale any article, including a living thing, in a street.

2.1.2 The Act states that a street includes any road, footway, beach, or other area to which the public have access without payment.

2.1.3 Maidstone Borough Council have designated all land within Maidstone Borough Council's boundary that falls within the above definition of "street", as consent streets. The resolution includes all highways land but will for the purpose of this policy exclude any land in the ownership and control of a public authority or a registered charity.

2.1.4 In paragraph 2.1.3 'ownership and control' means having a sufficient estate or legal interest in the area of land to enable the relevant Public Authority or registered charity to restrict and regulate the use of that area in the public interest. "Public Authority" means Kent County Council, Maidstone Borough Council or any Parish Council.

2.1.5 This change to Policy means that street trading consent is needed for trading on:

- . Streets, laybys, pavements or any land including verges controlled by Kent Highways unless there is payment for entry
- . Streets, laybys, pavements, or any land, including verges which are privately owned and the public can access, unless payment is made for entry. This includes private car parks such as superstore car parks.

2.2 Exemptions from needing Street Trading Consent

2.2.1 The following are exempted in the legislation and do not need street trading consent:

- a. A market that is granted through a charter or order.
- b. A news vendor selling periodicals or newspapers.
- c. Trading at a petrol station.
- d. Trading at a shop or in a street adjoining a shop as part of the business or shop.
- e. Trading as a roundsman who has defined customers and routes. It has been established in law that mobile ice cream sales are not normally deemed to be roundsmen.

Pedlars are not exempt in Maidstone due to the Maidstone Act 2006

This came into force on 7 September 2006. This removed the exemption for pedlars to act with the authority of a Pedlars Certificate to trade within the Borough. Pedlars must now have a Street Trading Consent to trade on the streets within the Borough of Maidstone. There is power to seize articles, receptacles and equipment by an officer of the Council or Constable if there is reason to suspect an offence has been committed under this Act.

2.3 Exemption for individual charity stalls with a Street Collection Permit

2.3.1 Individual charity stalls in a street can apply for a street collection permit which allows collecting money for a charitable cause (including through the sale of items). If a street collection permit is granted there is no requirement for a street trading consent. Please contact the Licensing Team for further information on applying for street collection permits.

2.4 Indoor Market Areas

2.4.1 Indoor market areas do not constitute street trading as they can be classed as shops which are exempt from street trading legislation.

2.5 Events with an Entrance Fee

2.5.1 Events that have an entry fee do not constitute street trading and do not need street trading consent

2.6 Community and Charitable Events

2.6.1 Community and Charitable events on land owned by Kent County Council, Maidstone Borough Council, Parish Councils or a registered charity do not need street trading consent.

2.6.2 Community and charitable events that are held on other land or on public highways (and do not have an entrance fee) will need to apply for a street trading consent. There may be provision for the fee to be waived if criteria are met (see paragraph 7.1.5).

3 TYPES OF CONSENTS

The Council issues the following four types of street trading consent:

3.1 Static Unit Consent

3.1.1 Static street trading consents are issued for a stall or vehicle which returns to one place every day or for regular periods of time. The unit or stall must be removed each day at the end of the trading period unless planning rules allow otherwise.

3.1.2 A static street trading consent may be granted for any period not exceeding 12 months.

3.2 Mobile Unit Consent

3.2.1 Mobile street trading consents are issued to traders who wish to move from place to place. A mobile consent trader must not remain in one place for more than 30 minutes at a time and not return to the same site within 2 hours. A typical mobile consent would be an ice-cream van.

3.2.2 A mobile street trading consent only permits trading within Maidstone Borough Council's area. If the unit goes into areas outside of Maidstone it will also need consent from the relevant authority.

3.2.3 A mobile street trading consent may be granted for any period not exceeding 12 months.

3.3 Short Term Consent

3.3.1 Short Term Single Traders - Short term consents are issued to traders who only want to trade in a particular location for a few days. The consent will normally only be granted for a period between 1 and 12 days.

3.3.2 Short Term Events – Short term consents will cover a number of stalls/traders and may be granted if the following apply:

1. The trading stalls are part of an organised event with an organising group committee/individual and;
2. The event is no more than 7 days.

3.4 Multi User Consent

3.4.1 Multi User consents are issued to specific individuals managing an event.

3.4.2 A Multi User consents can cover a number of stalls.

3.4.3 The Multi User must meet the criteria set below.

- . It has a nominated organiser.
- . It has the approval of the local public authority/landowner.
- . It adds value to the town's trade through the provision of specialist products.
- . It does not operate in detriment to the local community.

3.4.4 If the application is made by an organisation they must nominate a named individual who will be responsible for managing use of the consent.

3.4.5 The consent will be issued for a maximum of 12 months and can be renewed.

3.4.6 The consent holder will be responsible for ensuring compliance with times and location permitted by the consent and the conditions attached at all times whilst the consent is being used to facilitate street trading as well as any relevant bylaws.

3.4.7 The consent holder will be responsible for ensuring that any local residents, businesses or shops are not obstructed by the stall/stalls and that all emergency exits to buildings are kept clear. The consent holder must ensure that stalls can be moved quickly in the event that access is needed for emergency vehicles.

3.4.8 The consent holder will be required to keep records of all traders that trade under the consent which will include:

Event date

Company Name

Individuals Name

Trader Name

DOB

N.I number

Address

Food registration certificate number

Vehicle registration if relevant

Contact details.

Type of goods sold

This information will be required by the Licensing Department

3.4.9 As part of the application process the Council will consult all businesses in the vicinity of the Multi User consent . If, at any point after the grant of the consent, any existing or new occupiers of businesses or residential properties make objection to stalls being located outside of their premises the consent may be reviewed which could result in it being varied or amended.

3.4.10 It should be noted that Multi User Consents may incur other fees and charges from Maidstone Council if the land used belongs to Maidstone Borough Council. This will be in addition to the street trading consent fees.

4 CHOOSING A TRADING LOCATION/PITCH

4.1.1 Before applying for a street trading consent, applicants must first identify a suitable trading pitch or site. It is for the applicant to identify a suitable pitch having regard to the requirements in this policy and their business needs. The Council does not hold a list of available trading pitches.

4.1.2 A suitable pitch must meet the following criteria:

- . Be safe for other street users including traffic and pedestrians.
- . Be safe for customers using the street trading unit.
- . Not cause any potential for obstruction, interference, inconvenience or nuisance to other street users including other traders, traffic and pedestrians.
- . Not cause any potential for nuisance to residents and other businesses for example noise and/or smell.
- . The goods being sold complement and do not conflict with the goods sold by other established retailers within vicinity.

4.1.3 In particular account must be taken of the following:

- . Access roads on industrial estates, where heavy lorries manoeuvre, are generally unsuitable places for static units.
- . Locations close to residential properties are unlikely to be suitable due to the

potential noise and smell nuisance to residents.

- . Lay-bys on main roads must have good visibility to ensure the safety for traffic entering and leaving the trading site/lay-by.
- . There should be suitable parking spaces for customer and trading vehicles.
- . Units should not cause loss of parking spaces to residents or businesses.
- . Units in town centres must not impede the movement of pedestrians or delivery vehicles or block the frontage of shops or access to existing premises.

5 OTHER MATTERS TO CONSIDER BEFORE MAKING AN APPLICATION

5.1 Suitability of the Applicant

5.1.1 Applications cannot be considered from anyone under the age of 17.

5.1.2 When determining an application for the grant or renewal of a street trading consent the council will consider all relevant information relating to the suitability of the applicant to hold such a consent including:

(a) Whether the applicant has any unspent convictions under the Rehabilitation of Offenders Act 1974.

(b) Refusal or neglect in paying fees due to the council in relation to a street trading consent.

5.1.3 Where the criminal conviction certificate provided by the applicant shows current offences (i.e. those that are unspent under the Rehabilitation of Offenders Act 1974, the Council will consider the following:

- . whether the conviction is relevant;
- . the seriousness of the offence;
- . the length of time since the offence occurred;
- . whether there is a pattern of offending behaviour;
- . whether that person's circumstances have changed since the offence occurred;
- . the circumstances surrounding the offence and the explanation offered by that person.

5.1.4 Annex B is a list of the offences that the Council considers relevant to a street trading consent application.

5.2 Goods For Sale

5.2.1 Food - Traders wishing to sell food items must be registered as a food business with the Council in whose area the trading unit is stored when it is not at the trading site. Or, if food is pre-prepared before the unit goes to the trading site, you must be registered with Council in whose area the food preparation is undertaken.

5.2.2 Vehicles on the side of the road -This refers to vehicles placed on the highway and advertised for sale and includes any vehicle displaying signs that name an

individual or business; or displays notices/signs intended to sell the vehicle. This authority may take enforcement action against person who are advertising vehicles for sale on the public highway , currently it is the crime waste team that deal with these matters. For the purposes of this part of the policy public highway includes footpaths and adjacent verges and public open land as well as the road itself. It does not include private land. Where any vehicle is offered for sale on the highway that is not taxed and insured, the Police may also refer it to the DVLA Enforcement Team. Enforcement also may be taken under the Highways Act 1980 and the Clean Neighbourhoods and Environment Act 2005.

5.2.3 Alcohol - If you intend to sell alcohol you will need authorisation under the Licensing Act 2003 in addition to street trading consent. Please contact the Licensing Section for further advice.

5.3 Assistants/Employees

5.3.1 You will be required to check the right to work of any persons you employ to assist you under your street trading consent. Any trader found to allow an illegal worker to work as part of their trading activities is likely to have their street trading consent reviewed and/or revoked.

5.3.2 The Council will require the name, address, date of birth, national insurance number, a basic criminal check (not more than 1 month old) and a photograph of all persons assisting on a regular basis. The basic criminal check must be updated every 3 years. For the purposes of this policy we would consider any person who works on the unit, without the consent holder being present, for more than 14 days a year, as assisting on a regular basis.

5.4 Waste

5.4.1 A street trading consent holder is responsible for disposal of refuse and must not use Council, highway or other public waste bins unless there is a specific arrangement in place. The consent holder has a duty of care to dispose of commercial waste lawfully.

5.4.2 There must be no disposal of liquid waste down the drains or onto the pavement, road or grassland. This includes waste cooking oil.

5.5 Trading Hours

5.5.1 An application should specify what hours the applicant wishes to trade. Evening and night time hours are likely to have more impact on local residents in terms of noise and disturbance. Applications for later times are more likely to raise objections which may lead to those times being refused or conditions imposed.

5.5.2 The consent holder will be permitted 30 minutes preparation time prior to the start of their trading hours in order to set up the trading vehicle and there will be 30

minutes to close down and pack up. Consent holders are not permitted to trade during set up and closing times. Multi User consent holders will be permitted 90 minutes prior and after trading times to set up and close down the stalls.

5.5.3 Trader's who wish to serve hot food and drink between 23:00 and 05:00 will also need a licence for late night refreshment under the Licensing Act 2003. Please contact the Licensing Team for further information.

5.6 Planning Permission

5.6.1 A street trading consent is given to units where the unit is removed every day at the end of the trading period. If a unit is permanently located at a site it is unlikely to require street trading consent but will require planning permission. Units that are removed every day may also require planning permission in addition to street trading consent. This will be dependant on the amount of time and days that the unit is located at the site. Please contact the Planning Section for further advice.

5.6.2 If a unit that holds street trading consent is not removed every day at the end of the trading period and it is considered that the unit is in fact permanently located in one position, then street trading consent may be revoked.

23 The consent Holder shall at all times conduct business in a clean, honest, civil and business like manner without interfering with the business of other traders and consent holders.

24 Nothing contained in these conditions shall relieve the consent holder or their employees or agents from any legal duty or liability and the consent holder shall indemnify the Council in respect of all claims, actions, demands or costs arising from this consent.

25 The Council may vary or make additions to the Conditions applying for any or all street trading consents, at any time.

h. Formal Cautions and Fixed Penalty Notices

For the purposes of these guidelines, the Council will treat Formal Cautions issued in accordance with Home Office guidance and fixed penalty notices as though they were a conviction before the courts.

i. Existing Consent Holders Convicted Of An Offence
