

Urgent Update: Planning Committee 25 March 2021

Item 16 Pages 121 (relevant planning history – bullet point 2)

Text corrected as follows (appeal decision letter appended to the main report):

- *An appeal against the refusal of permission was considered by a Planning Inspector appointed by the Secretary of State. The appeal was ~~allowed~~, **dismissed** with this decision made on the basis that there was a lack of sufficient information to assess the potential impact on ecology (further details below).*

The recommendation remains unchanged.
