## 1. BACKGROUND AND INTRODUCTION

- 1.1 The Medium Term Financial Strategy for 2020/21 to 2024/25 - including the budget for 2020/21 - was approved by full Council on 26th February 2020. This report updates the Committee on how its services have performed over the last quarter with regard to revenue and capital expenditure against approved budgets.
- 1.2 The report particularly focuses on the impact of the Covid-19 pandemic on the financial position and performance of the service areas that fall under this committee, and provide some further detail around particular areas of concern.
- 1.3 This report also includes an update to the Committee on progress against its Key Performance Indicators (KPIs).
- 1.4 Attached at **Appendix 1** is a report setting out the revenue and capital spending position at the Quarter 4 stage. Attached at **Appendix 2** is a report setting out the position for the KPIs for the corresponding period.

## **2. AVAILABLE OPTIONS**

- 2.1 There are no matters for decision in this report. The Committee is asked to note the contents but may choose to take further action depending on the matters reported here.
- 

## **3. PREFERRED OPTION AND REASONS FOR RECOMMENDATIONS**

- 3.1 In considering the current position on the Revenue budget, the Capital Programme and KPIs at the end of March 2021, the Committee can choose to note this information or could choose to take further action.
- 3.2 The Committee is requested to note the content of the report and agree on any necessary action to be taken in relation to the budget position and/or the KPIs position.
- 

## **4. RISK**

- 4.1 This report is presented for information only and has no direct risk management implications.
- 4.2 The Council produced a balanced budget for both revenue and capital income and expenditure for 2020/21. The budget is set against a backdrop of limited resources and a difficult economic climate, even before the impact of the Covid-19 pandemic became clear. Regular and comprehensive monitoring of the type included in this report ensures early warning of significant issues that may place the Council at financial risk. This gives the Committee the best opportunity to take actions to mitigate such risks.
- 

## **5. CONSULTATION RESULTS AND PREVIOUS COMMITTEE FEEDBACK**

- 5.1 The KPIs update ("Performance Monitoring") is reported to service committees quarterly: Communities, Housing & Environment Committee; Economic Regeneration & Leisure Committee; and the Strategic Planning & Infrastructure Committee. Each committee will receive a report on the relevant priority action areas. The report is also presented to the Policy & Resources Committee, reporting on the priority areas of "A Thriving Place", "Safe, Clean and Green", "Homes and Communities" and "Embracing Growth and Enabling Infrastructure".
- 

## **6. NEXT STEPS: COMMUNICATION AND IMPLEMENTATION OF THE DECISION**

- 6.1 The Quarter 4 Budget & Performance Monitoring reports are being considered by the relevant Service Committees during June 2021, including a full report to the Policy & Resources Committee on 23<sup>rd</sup> June 2021.

- 6.2 Details of the discussions which take place at Service Committees regarding financial and performance management will be reported to Policy and Resources Committee where appropriate.
- 6.3 The Council could choose not to monitor its budget and/or the Strategic Plan and/or make alternative performance management arrangements, such as the frequency of reporting. This is not recommended as it could lead to action not being taken against financial and/or other performance during the year, and the Council failing to deliver its priorities.
- 6.4 There is significant uncertainty regarding the Council's financial position beyond 2020/21, arising from the impacts of the Covid-19 crisis and the Council's role in responding to this. Future finance reports to this committee will ensure that members are kept up to date with this situation as it develops.
