## 2 INTRODUCTION AND BACKGROUND

2.1 When appraising new housing development opportunities, the New Business and housing Development Team consider proposals against the following standard risk headings: -

- Site location and ownership.
- Town Planning Status.
- Schedule of accommodation, tenure mix and parking ratio.
- Quality – Maidstone Building for Life 12.
- Housing Management.
- Deal structure.
- Contractor procurement.
- Financial viability.
- Delivery programme.
- Professional team.

2.2 The opportunity proposed in this report is fully appraised against these standard risk headings in the exempt Appendix 1.

## 3 AVAILABLE OPTIONS

3.1 Option 1: The Cabinet could choose not to approve the purchase of the proposed acquisition. The Council would however lose an excellent opportunity to purchase a site with full planning permission with access to good transport links and amenities to add to its affordable housing stock. It will assist towards much needed affordable accommodation in the Borough and contribute towards the Council 1,000

Affordable Homes delivery target.

- 3.2 Option 2: The Cabinet approve the purchase of the proposed acquisition on the agreed terms and procures the professional consultants. That post completion of the procurement process to appoint a contractor for the works cost detailed in the financial summary Exempt Appendix 3. If in the event tenders for the works cost are in excess of the agreed sum then officers will return to the committee to seek further approval prior to the development itself commencing. This site when built would assist with affordable housing provision, contributing towards delivering the 1,000 affordable homes target.

---

#### **4. PREFERRED OPTION AND REASONS FOR RECOMMENDATIONS**

- 4.1 Option 2 is the recommended option. A significant amount of work and negotiation has been completed by officers to reach this accepted offer stage with the vendor. The scheme has full planning consent on purchase and represents a good investment opportunity which supports the 1,000 Affordable Homes Development Strategy.
- 4.2 The acquisition will also deliver a number of new apartments within a residential location, making a valuable contribution to the borough's identified affordable housing need.

---

- 5.1 Please see exempt appendix 1.

---

#### **6 CONSULTATION RESULTS AND PREVIOUS COMMITTEE FEEDBACK**

---

#### **7 NEXT STEPS: COMMUNICATION AND IMPLEMENTATION OF THE DECISION**

- 7.1 The next steps, will be to secure the site with exchange and completion of contracts on the terms as agreed by the Director of Finance, Resources and Business Improvement, subject to RICS valuation, and satisfactory contract. Alongside the acquisition, officers will work with the appointed Employers Agent to source a suitable contractor, and will return to Committee/Cabinet, as per point 4 of the recommendations, should there be any variance to the build cost provided in Exempt Appendix 3.
