		020 Determine the top priorities of the Council and ensure that plans, policies and strategies link to these				
CIP 020.05	Explore options for a more specialised central project management or project support function	<input type="text" value="0%"/>		30-Apr-2011	Georgia Hawkes	Recently an officer has temporarily been acting as Corporate Project Manager, providing project management expertise for a number of projects across the Council. This post sits within the Change and Scrutiny Team and has recently been extended until March 2012. At present the Head of Business Improvement coordinates the Council's approach to projects and provides reports to management team. Project management for the Hazlitt capital works is currently being provided by another officer not based in the Hazlitt team. Moving the deadline for this action to 30 September 2011 will allow a report to be prepared for Management Team by the Head of Business Improvement that considers how well these arrangements have worked and suggests a way forward
