The use of grass to create green space in the lower end of the High Street is investigated to ensure that the final result was durable and sustainable both in terms of costs and appearance;	Cllr Stephen Paine	The current green spaces have been delineated on site in spray paint to gain an understanding of scale. Subsequently these areas are being reduced and following this the adjusted layout will be set out again on site. A visit can be arranged with ward members to inspect the setting out proposal if required.	December 2012	Lewis Small
