Your ref - LD/WK/2013/2237.

Dear Ms Davis

With reference to Mr Munns application for street trading consent we would like to give our views for consideration.

We are the only neighbours of Newport Imparks and therefore the only neighbours to be affected by this application.

We have absolutely no objections to Mr Munns application for street trading consent as this in no way impacts upon us and we would be happy for a street trading consent to be granted.

Yours sincerely,

D. Mellor
