

Internal Audit Charter

Maidstone Borough Council

Purpose & Mission

1. The purpose of Maidstone Borough Council's (the "Council") internal audit service ("Mid Kent Audit") is to provide independent, objective assurance and consulting services designed to add value and improve the Council's performance. The mission of internal audit is to enhance and protect organisational value by providing risk-based and objective assurance, advice and insight. Mid Kent Audit helps the Council achieve objectives with a systematic, disciplined approach to evaluating and improving effectiveness of governance, risk management and control.
2. Final approval of the Charter rests with the Audit, Governance & Standards Committee (the "Committee"). The Head of Audit Partnership will keep the Charter under review and re-present for approval each year after consultation with Senior Management.

12. The Head of Audit Partnership will ensure Mid Kent Audit remains free from all conditions that threaten the ability of internal auditors to carry out their responsibilities without bias. These include matters of audit selection, scope, procedures, frequency, timing and report content. The Head of Audit Partnership will report if independence or objectivity may be under threat in fact or appearance.

MID KENT AUDIT

13. Internal auditors will preserve an unbiased approach that allows them to perform engagements objectively. They will believe in their work, make no quality compromises, and not subordinate their audit judgement to others.
14. Internal auditors will have no direct responsibility or authority over any of the subjects audited. So, internal auditors will not set up internal controls, develop procedures, prepare records, or engage in any other action that may hinder their judgement. This includes:

As set out in the audit plan, the Head of Audit Partnership also has on-demand ancillary advisory roles on counter fraud and investigative work.
17. In carrying out their roles auditors will follow the independence and objectivity principles in this Charter. On Risk Management, specifically, auditors will adhere to the guidance set out by the IIA in its position paper on *Risk Management and Internal Audit* [published on 11 July 2019](#).

Scope of Internal Audit Work

21. The scope of internal audit work covers the Council's whole control environment. This includes objective examination of evidence to create independent assessments to the Committee, management and others on the adequacy and effectiveness of governance, risk management and control. Internal audit assessments include evaluating whether:

- The Council properly identifies and manages risks on its strategic and other objectives.
- The actions of the Council's officers and contractors comply with the Council's policies, procedures and applicable laws, regulations and governance standards.
- The results of Council work and programs are consistent with agreed goals and objectives.
- The Council carries out its work and programs effectively and efficiently.

MID KENT AUDIT

 - The Council gains assets economically, uses them efficiently and protects them adequately.
22. These assessments will lead to a Head of Audit Partnership opinion as described by the Standards. The opinion will report on the adequacy and effectiveness of the Council's internal control, corporate governance and risk management.
23. The Head of Audit Partnership will report periodically to senior management and the Committee about:
- Mid Kent Audit's purpose, authority and responsibility.
 - Mid Kent Audit's plan, and performance against its plan.

 - Audit resource use and need.
 - Any management risk response that may be unacceptable to the Council.
24. The Head of Audit Partnership also coordinates work where possible, and considers relying on the work of other internal and external assurance and consulting service providers as needed. Mid Kent Audit may perform advisory and related client service work. Mid Kent Audit will agree the nature and scope of such work with the client, provided Mid Kent Audit does not assume management responsibility.
25. Mid Kent Audit may identify opportunities for improving the efficiency of governance, risk management and controls during engagements. Where identified, Mid Kent Audit will communicate these opportunities to management.

 - Review and adjust the internal audit plan, as necessary, in response to changes in the Council's business, risks, programs, systems and controls.

 - Removal of a 'high priority' audit engagement.
 - Commitments beyond the approved budget or resource envelope.
 - Other changes that, in the view of the Head of Audit Partnership, may inhibit ability of Mid Kent Audit to deliver a robust opinion as set out by the Standards.

 - Ensure consideration of emerging trends and successful practices in internal auditing.
 - Set up and ensure adherence to policies and procedures designed to guide Mid Kent Audit's work.
 - Ensure adherence to the Council's relevant policies and procedures, unless such policies and procedures conflict with the Charter. Report any such conflicts to senior management and the Committee with a suggested path to resolution.
27. The Council will also consider CIPFA's Statement on the Role of the Head of Internal Audit in Public Sector Organisations ([2019 edition](#)). In particular when setting job roles and overseeing performance of the Head of Audit Partnership.

Quality Assurance and Improvement Programme

28. Mid Kent Audit will keep a quality assurance and improvement programme that covers all its work. The programme will include an evaluation of conformance with the Standards and an evaluation of whether internal auditors apply the IIA's Code of Ethics. The program will also assess the efficiency and effectiveness of Mid Kent Audit's work and identify opportunities for improvement.
29. The Head of Audit Partnership will communicate to senior management and the Committee on the quality and improvement plan. This will include results of internal assessments and an external assessment conducted at least once every five years by a qualified, independent assessor.
