**Report of the Head of Housing and Community Services -
Draft Low Emission Strategy Consultation Response.**

Issue for Decision

To adopt the framework for the Low Emissions Strategy.

Decision Made

- 1) That the framework for the Low Emission Strategy attached at Appendix B of the report of the Head of Housing and Community Services be adopted.
- 2) That authority be delegated to the Head of Housing and Community Services to develop an action plan to deliver against the priorities in the framework for the Low Emission Strategy. The development work should be informed by the views of representatives from all stakeholder groups.
- 3) That the resulting Low Emissions Strategy be reported back to the Committee once the actions have been prioritised and Council actions have been identified separately from other stakeholder actions. Actions that are resources should be identified separately from actions that require resourcing.
- 4) That an annual update on progress of the actions in the Low Emissions Strategy be provided to the Committee once agreed.
