Issued on Wednesday 23 March 2022

Continued Over/:

Alison Broom, Chief Executive

If your question is accepted, you will be provided with instructions as to how you can access the meeting.

In order to make a statement in relation to an item on the agenda, please call **01622 602899** or email committee@maidstone.gov.uk by 5 p.m. one clear working day before the meeting (i.e. by 5 p.m. on Tuesday 29 March 2022). You will need to tell us which agenda item you wish to speak on.

If you require this information in an alternative format please contact us, call **01622 602899** or email committee@maidstone.gov.uk.

To find out more about the work of the Committee, please visit www.maidstone.gov.uk.

Licensing Committee

31 March 2022

Hackney Carriage Fare Increase 2022

Final Decision-Maker	Licensing Committee
Lead Head of Service	John Littlemore, Head of Housing and Community Services
Lead Officer and Report Author	Lorraine Neale
Classification	Non-exempt
Wards affected	All

Executive Summary

A request has been made by the Hackney trade to increase fares in response to the current crisis which has seen a rapid increase in fuel charges and the cost of living in general. Governance changes have meant that the meeting calendar for Licensing Committee have not yet been determined for the 2022 -23 period. As we currently do not have any future dates decided for Licensing Committee and we wish to avoid financial hardship for the Hackney trade it is requested that Licensing Committee consider the matter at the meeting on 31st March 2022.

Purpose of Report

To consider the Maidstone Taxi Proprietor Association’s request for an increase in fares by the travelling public for hackney carriage journeys.

This report makes the following recommendations to this Committee:

1. That the table of fares set out in Appendix 3 to this report be agreed.
2. That the Head of Housing and Community Services be authorised to give public notice of the Council’s intention to fix this table of fares for Hackney Carriage vehicles in accordance with Section 65(2) of the Local Government (Miscellaneous Provisions) act 1976 to take effect from April 2022.
3. Should objections be received, this matter is brought back to Licensing Committee for consideration within two months of publication.

2. INTRODUCTION AND BACKGROUND

- 2.1 Under section 65(1) of the Local Government (Miscellaneous Provisions) Act 1976, the Local Authority has the power to set the maximum fares for the hire of a Hackney Carriage vehicle.
- 2.2 The current fares set have been in place since 10th July 2020 and the trade has requested a review of the current fare structure. There are currently 48 licensed Hackney Carriages that are allowed to ply for hire in Maidstone. Fares charged by Hackney Carriages cannot be more than the fare set by Maidstone Borough Council. The council do not set the fares for private hire vehicles.
- 2.3 A request has been received from the Maidstone Taxi Proprietors' Association for an increase in fares, by means of an increase to the initial hiring charge for tariffs 1, 2 and 3 and a decrease each additional 125m to 115m, also to reduce waiting times from 30s to 28s see letter of request at Appendix 1. The comparison table shows the effect the request will have on fares.

Miles (metres)	Current Tariff 1	Proposed Tariff 1	Current Tariff 2	Proposed Tariff 2	Current Tariff 3	Proposed Tariff 3	Av % increase
.342 (550)	£3.00	£3.20	£4.50	£4.80	£6.00	£6.40	6.6%
1 (1609)	£4.68	£5.04	£7.02	£7.56	£9.36	£10.08	7.69%
1.5 (2414)	£5.98	£6.44	£8.96	£9.66	£11.96	£12.88	7.69%
2 (3218)	£7.26	£7.84	£10.90	£11.76	£14.52	£15.68	7.98%
2.5 (4023)	£8.56	£9.28	£12.84	£13.92	£17.12	£18.56	8.41%
3 (4828)	£9.84	£10.64	£14.76	£15.96	£19.68	£21.28	8.13%
10 (16093)	£27.86	£30.32	£41.78	£45.30	£55.74	£60.40	8.82%
20 (32186)	£53.60	£58.20	£80.38	£87.30	£107.24	£116.40	8.58%
50 (80467)	£130.86	£142.20	£196.18	£213.30	£261.74	£284.40	8.66%

The request will cause an average increase in fares of 7.98% for customers travelling a 2 mile journey on all 3 tariffs.

- 2.4 A comparison of all the Kent authorities for Tariff one as published by Private Hire Monthly (March 2022) for a two mile journey is as follows:-

Council		Cost £ per 2 miles	Proposed
Ashford	2019	£6.50	
Canterbury	2019	£6.40	
Dartford	2018	£7.10	
Dover	2021	£7.10	
Folkestone & Hythe	2012	£6.20	
Gravesham	2020	£6.80	
Maidstone	2020	£6.53	£7.84 (7.98%)
Medway	2020	£6.60	
Sevenoaks	2019	£7.06	
Shepway	?	£6.20	

Swale	2018	£6.80	
Thanet	2015	£5.40	
Tonbridge and Malling	2018	£7.00	
Tunbridge Wells	2019	£7.20	

- 2.5 The increase is in response to rising fuel and running costs and is considered reasonable, as can be seen from the table the increase requested will make Maidstone the most expensive Borough in Kent. It is envisaged that many Kent Authorities will receive requests to increase fares as huge hikes to the cost of living continue. It is therefore important the fares represent the living wage locally. In addition, any uplift would need to be balanced in terms of public expectation who may respond to the consultation, anything too great would face criticism and potentially result in less work for the hackney carriage trade. Therefore, it is considered that agreement to the request can be recommended and the scheme of Hackney Carriage fares amended accordingly Appendix 3.

3. AVAILABLE OPTIONS

- 3.1 An increase to the initial hiring charge for tariffs 1, 2 and 3 and decrease each additional 125m to 115m.
- 3.2 To reduce the waiting from 30s to 28s.
- 3.3 Do nothing.

4. PREFERRED OPTION AND REASONS FOR RECOMMENDATIONS

- 4.1 Members consider the contents of the report to determine whether the fare increase should be granted.
- 4.2 The setting of fares is a statutory duty placed upon the Council and it is the Council's responsibility to strike a balance between setting a fare that is acceptable to the customer and to the taxi driver.
- 4.3 It is important that the Council through its licensing functions protects the public by ensuring that the fares charged by licensed Hackney Carriages are fair and justified and not excessive.
- 4.4 The last fare increase was 2020.

5. RISK

- 5.1 A rise to Hackney Fares does not create risk to the Authority but may create a risk to the Hackney trade if the public consider the charges to be too expensive and result in less work for the hackney carriage trade.

6. CONSULTATION RESULTS AND PREVIOUS COMMITTEE FEEDBACK

- 6.1 Should Members be minded to approve the increase, the Head of Housing and Community Services, be authorised to publicise the proposed fare increase as detailed in the report, and if no objections are received, the proposed fare increase takes effect no less that fourteen days from the date of publication.
- 6.2 Should objections be received, this matter is brought back to this Committee for consideration within two months of publication.
-

7. NEXT STEPS: COMMUNICATION AND IMPLEMENTATION OF THE DECISION

- 7.1 Officers will update the Council Webpages and update the Fare charts currently displayed in Taxis.
-

8. REPORT APPENDICES

- 1.Trade request from trade
 - 2 Current Fare Chart
 - 3 Proposed Fare Chart
-

Subject: Hackney Carriage Fare Increase

Good afternoon Licensing.

You may be aware that the last time there was a Hackney Carriage Fare Increase was in July 2020. It will not come as surprise to you I'm sure that we are now asking for an increase in fares in large part due to the recent spike in both the cost of unleaded and diesel to say nothing of the impending increase of 54% in the cost of energy in the home including electricity which we use to charge our electric and hybrid vehicles.

Looking through my accounts I see that both unleaded and diesel have increased by no less than 44% since July 2020 at the time of the last increase. From 111.9p/l for unleaded to £159.9p/l and £112.9p/l to 169.9p/l for diesel.

Clearly the trade are quite concerned about this state of affairs. We are also led to believe that the cost of fuel may hit £2 per litre due to the ongoing 'Special Military Operation' going on in the Ukraine.

Fuel has historically cost us approximately 12% of revenue but is now nearer 17 to 18%. Consumer Price Inflation has been approximately 6% in that time.

In the light of this we are asking for an increase in Tariff 1 and the minimum charge from £3 to £3.20 for the first 550 metres.

Then for each additional 115 metres an extra 20p.

Waiting time to go from 20p per 30 seconds 20p per 28 seconds. 7.1% increase Tariff 2 at 1.5 times Tariff 1 and Tariff 3 to be twice tariff 1.

All fares up to 550 metres would increase by 6.6% Fares at 1 mile (1609 metres) increase from £5 to £5.20 an increase of 4% Fares at 1.5 miles (2414 metres) increase from £6.20 to £6.60 an increase of 6.4% Fares at 2 miles (3218 metres) increase from £7.60 to £8 an increase of 5.2% Fares at 2.5 miles (4023 metres) increase from £9 to £9.40 an increase of 4.4 % Fares at 3 miles (4828 metres) increase from £10.20 to £10.80 an increase of 5.8%.

I realize we are probably too late for this weeks licensing meeting but nevertheless would like to submit this application anyway.

Kind Regards

Neil Cox

Chair

Maidstone Taxi Association

HACKNEY CARRIAGE FARES 2021/22
Effective from 10th July 2020

MAXIMUM FARES FOR DISTANCE AND/OR TIME

Maximum fares for Distance and Time (The appropriate metric measurements is shown in each case)
