Application for Review of a Premises Licence

Report Author: Lorraine Neale

This report is classified as public, with an exempt appendix. The Appendix is referenced as appendix 8 to this report, This appendix contains exempt information as classified in paragraph/s 1, 2 and 7 to Part 1 of Schedule 12A to the Local Government Act 1972, in that they contain information relating to

- 1 - Information relating to any individual.
- 2 - Information which is likely to reveal the identity of an individual.
- 7 - Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime. The public interest in maintaining this exemption outweighs the public interest in their disclosure due to the nature of the information provided.

Summary:

To summarise the Police's reasons for bringing about this review application of the premises licence for the Kings Head. Kent Police believe the premises represents a serious and real danger to the public if they are allowed to continue operating unchecked.

This follows on from a search of the premises on Wednesday 8th February 2023, carried out under an executed search warrant acting on intelligence received.

During the search weapons, ammunition and drugs were found in various places on the premises, the detail can be found in the application for review attached as Appendix 1.

The Police believe that the location of the weapons quite clearly indicated that the licenceholders were aware of their presence on the premises and permitted them to stay on site. This leads to concerns to their intended use or need and the serious and real danger they pose to the public.

Kent Police have serious concern in the managements ability to run a safe premises because of the serious nature of weapons being present in the bar and so seek revocation of the licence and the removal of the designated premises supervisor.

Affected Wards: Headcorn Ward

Recommendations : **The Committee is asked to determine the application and decide whether to take such steps as members consider appropriate for the promotion of the licensing objectives.**

 9. Relevant policy statements **contained in The Licensing Authority’s Statement of Licensing Policy (Jan 2021);**

CONDITIONS TO PROMOTE THE PREVENTION OF CRIME AND DISORDER.

- 17.10 Under the Act the Licensing Authority has a duty to promote the licensing objectives, and, a further duty under the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the borough.
- 17.11 Wholesale of alcohol. Since 1 April 2017, businesses which sell alcohol (for example, retailers of alcohol and trade buyers) need to ensure that the UK wholesalers that they buy alcohol from have been approved by HMRC under the Alcohol Wholesaler Registration Scheme (AWRS). They will need to check their wholesalers Unique Registration Number (URN) against the HMRC online database. This is an ongoing obligation and if a business is found to have bought alcohol from an unapproved wholesaler, they may be liable to a penalty or could even face a criminal prosecution and their alcohol stock may be seized. Any trader who buys alcohol from a wholesaler for onward sale to the general public (known as a ‘trade buyer’) does not need to register unless they sell alcohol to other businesses.
- 17.12 Examples of trade buyers would be pubs, clubs, restaurants, cafes, retailers and hotels. However, they will need to check that the wholesaler they purchase alcohol from is registered with HMRC.
- 17.13 The applicant will be expected to detail in their operating schedule how they will prevent crime and disorder on and close to the premises. Such detail should reflect the licensable activities on offer, location and character of the area, the nature of the premises use and the range of customers likely to use the premises.

These may include, but are not limited to, the following:

- Prevention of disorderly conduct and anti-social behaviour
- Prevention of underage drinking
- Prevention of sales of alcohol to intoxicated customers
- Prevention of drunkenness both on and in the vicinity of the premises
- Prevention of drug use and drug dealing
- Restriction to responsible drinks promotions
- Use of safety glass
- Inclusion of a wind-down time following alcohol sales period
- Adequate seating to discourage “vertical drinking”
- The offer of food and snacks or other entertainment or occupation to discourage persistent drinking

17.14 In busier premises the Licensing Authority would usually expect to see a short (e.g.30 mins) ‘wind down’ or ‘drinking up’ period allowed for after the cessation time of entertainment and alcohol sales as this is effective in assisting in a reduction in noise and exuberance of customers before leaving the premises.

17.15 Applicants will be expected to seek advice from the Police and the Licensing Authority will give appropriate weight to requests by the Police for premises to be protected by SIA registered door staff subject to the provision of relevant evidence. Where the Licensing Authority determines after consultation with the police that a premises is one that warrants additional security and monitoring it would expect applicants to include the provision of SIA approved door staff at the premises at appropriate times. Relevant premises are usually those used mainly for drinking alcohol, have later opening hours and are situated within the Town Centre night time economy area.

17.16 Where appropriate, applicants for licences in the Town Centre areas providing mainly alcohol, music and dancing would be expected to consider inclusion of a provision of safety glasses to prevent a risk of injury on the rare occasion that a glass may be used as a weapon.

17.17 The use of CCTV should be considered where appropriate or on the advice and recommendations of the Police and to a quality and standard approved by the Police for evidential purposes. Licensees will be expected to fully comply with the requirements of the Information Commissioners Office and the Data Protection Act 1998 in respect of any surveillance equipment installed at a premises.

17.18 In any application resulting in hearing the sub-committee will consider each application on its individual merits and determine the imposition of conditions that are appropriate to promotion of the licensing objectives.

CONDITIONS TO PROMOTE PUBLIC SAFETY.

17.19 The applicant will be expected to show how the physical safety of persons attending the premises will be protected and to offer any appropriate steps in the operating schedule to promote this.

17.20 Such steps will not replace the statutory obligation on the applicant to comply with all relevant legislation under the Health and Safety at Work etc. Act 1973 or under the Regulatory Reform (Fire Safety) Order 2004.

17.21 Applicants will be expected to have carried out the necessary risk assessments to ensure safe occupancy levels for the premises. Where a representation from the Fire Authority

suggests that for the promotion of the Public Safety objective a maximum occupancy should be applied, the Licensing Authority will consider adding such a limit as a licence condition.

Where appropriate an operating schedule should specify occupancy limits for the following types of licensed premises:

- (i) High Volume Vertical Drinking e.g. premises that provide mainly stand up drinking facilities with limited seating/table space and the primary activity is the sale of alcohol
- (ii) Nightclubs
- (iii) Cinemas
- (iv) Theatres
- (v) Other premises where regulated entertainment is likely to attract a large number of people.
- (vi) Where conditions of occupancy have arisen due to representations received.

CONDITIONS TO PROMOTE THE PREVENTION OF PUBLIC NUISANCE.

17.22 The applicant will be expected to detail any appropriate and proportionate steps to prevent nuisance and disturbance arising from the licensable activities at the premises and from the customers using the premises.

17.23 The applicant will be expected to demonstrate that they have considered the following and included steps to prevent public nuisance:

- (i) Proximity of local residents to the premises
- (ii) Licensable activities proposed and customer base
- (iii) Hours and nature of operation
- (iv) Risk and Prevention of noise leakage from the premises from equipment, customers and machinery
- (v) Prevention of noise from customers leaving the premises and customer pick up points outside premises and from the Car Park.
- (vi) Availability of public transport to and from the premises
- (vii) Delivery and collection times and locations.
- (viii) Impact of external security or general lighting on residents.
- (ix) History of management of and complaints about the premises.
- (x) Applicant's previous success in preventing Public Nuisance.
- (xi) Outcomes of discussions with the relevant Responsible Authorities.
- (xii) Impact of location, noise and contamination from outside smoking areas on neighbours and other customers
- (xiii) Collection of litter arising from the premises

17.24 Steps to prevent public nuisance may include a range of options including noise limiting devices, sound insulation, wind down periods, acoustic lobbies, management of smoking areas etc.

17.25 Steps will differ depending on the individual premises and activities and it is for the applicant to ensure that reasonable, effective and appropriate steps are included within the operating schedule.

CONDITIONS TO PROMOTE THE PROTECTION OF CHILDREN FROM HARM.

17.26 Applicants will be expected to detail any appropriate and proportionate steps to protect children at the premises from any harm. The Licensing Authority recognises the right of licensees (serving alcohol) to allow accompanied children into their premises. The Licensing Authority would not seek to restrict access by children (above that specified in the Act) unless it is necessary for the prevention of physical, moral or psychological harm.

17.27 Steps to protect children from harm must be carefully considered for inclusion where:

- (i) There is entertainment or services of an adult nature provided.
- (ii) There have been previous convictions for under age sales of alcohol.
- (iii) There has been a known association with drug taking or dealing.
- (iv) There is a significant element of gambling on the premises.
- (v) There is a presumption that children under 18 should not be permitted entry such as to nightclubs (apart from when specific events are held for under 18's).
- (vi) Outcomes of discussions with relevant Responsible Authorities suggest such steps are applicable.

17.28 Nothing in the Licensing Act prevents licensees from excluding children from a licensed premises and no condition can be added to require the admission of children.

17.29 Where there are no matters that give rise to concern in respect of children at premises the Licensing Authority would expect to see the relevant box on an application form completed to specify NONE.

Implications Assessment

10 The decision should be made with regard to the Home Office Guidance and the Licensing Authority's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

11 **Human Rights:** While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 - Right to respect for private and family life
- Article 1 of the First Protocol - Protection of Property
- Article 6(1)- Right to Fair Hearing
- Article 10 – Freedom of Expression

Application for the review of a premises licence or club premises certificate under the Licensing Act 2003

Please state the ground(s) for review (please read guidance note 1)

Kent Police are requesting a review of this premises licence under the licensing objectives of prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm at KINGS HEAD, MAIDSTONE, KENT, ME17 2AN. Ms Beverley SIMPSON-SWEET is the designated premises supervisor and premises licence holder along with Mr Kenneth SWEET. The premises trades as a pub. There is a premises licence which permits the sale of alcohol between 10:00 to 00:30 Monday to Saturday.

Kent Police executed a search warrant at the premises and located drugs and weapons.

Application for the review of a premises licence or club premises certificate under the Licensing Act 2003

Please provide as much information as possible to support the application

(please read guidance note 2)

On Wednesday 8th February 2023 a Kent Police executed a search warrant at the premises acting on intelligence received. This was in relation to a male linked to the premises being involved in the dealing of drugs and possession of firearms. During the execution of the warrant a search of the premises was conducted and as a result of this search drugs were located in the upstairs rooms, in the form of small bags of cannabis and bags of white powder, these items are believed to be connected with the supply of drugs. Also found upstairs was a quantity of Section 1 firearms ammunition. A search of the bar area located two imitation firearms, a BB gun and a starter revolver, and an ASP baton under the bar and another BB gun secreted between the bar and kitchen area in an easily accessible location. Four shotguns were also found at the premises, these were legally held under a shotgun licence however three were correctly stored within a secure gun safe but the fourth was found standing at the top of the stairs.

The male subject of the intelligence [REDACTED] of the premises licence holder and lives on the premises and a quantity of the drugs were located in a bag belonging to the designated premises supervisor/premises licence holder. Vehicles at the location were also searched where further weapons were located.

It is the belief of Kent Police that this premises, if allowed to continue to operate unchecked, represents a serious and real danger to the safety of the public. It is clear from the location where items were seized from that the premises licence holders were aware of them and permitted them to remain on site. The presence of multiple weapons within the public areas gives rise to concerns with regards to the intended use or need for these items and believe it is indicative of an involvement of those present in serious crime.

Due to the serious nature of weapons being in the bar gives Kent Police concern in the management's ability in running a safe pub. Kent Police has no faith that Ms SIMPSON-SWEET or family members are able to uphold the licensing objectives for Public Safety and Crime and Disorder.

At approximately 0800 hours on Wednesday 8th February 2023 whilst on uniform duty with PS MILLINS, PC's LAWLESS, DERRY, AUSTIN & MUIR we attended The Kings Head public house, Headcorn Road, Grafty Green after acting upon information received from a section 23 misuse of drugs act search warrant. The property is a large-detached premises. At which we were joined by a second Police search team. At the rear of the property PC AUSTIN and LAWLESS knocked the door repeatedly and shouted 'Police'. In response a female's face appeared (later identified herself as Mrs SWEET) at the window over the front door looking directly at us. She then moved away from the window and several minutes went by without any obvious effort to open the door by the occupant. PC LAWLESS and AUSTIN then made preparation to force open the backdoor which they paused as Mrs SWEET then appeared at the backdoor and unlocked it. On entering the property, I moved up the staircase to the top floor where I located a bedroom off to the left within which I found a male who later confirmed his identity as Ken SWEET. I requested SWEET show me the location of the gun cabinet licensed to the address and occupant. This was located in the loft space, SWEET

unlocked the cabinet which was secured to a roof beam. Inside the cabinet were three shotguns which I seized as AJB1-self-loading shotgun, AJB/2-shotgun over/under, AJB/4-shotgun side by side. When asked where the fourth shotgun was located SWEET led me to the landing where a small single shot shotgun was leaning against the wall, I seized it and exhibit as AJB/3. SWEET was then accompanied to the ground floor where the other occupants of the property were sat near the bar area. Myself and PC DERRY initiated the search of the ground floor bar area where I located a black BB handgun under the bar which I seized as AJB/5. Also behind the bar I located and seized a Police ASP baton as AJB/6 and a small black pistol as AJB/7. On the shelf beside these under the bar I located and seized a small clear plastic snap lock bag containing a brown solid substance I believe to be cannabis resin (solid) from within a red purse as AJB/8. I further seized Ken SWEETS firearm certificate as AJB/9. All officers left the address at 12:05 hours that same day. My body worn video footage of our approach and entry to the property I exhibit as AJB/10.

Dear Ken

Licensing Act 2003

Re: Kings Head, Kings Head, Headcorn Road, Grafty Green, ME17 2AN

With reference to the application dated **23 February 2023** the Fire Authority does not propose to make any representation to the Licensing Authority, provided that the premises are constructed and managed in accordance with the information supplied within your application.

It is the duty of the “responsible person” to make a suitable and sufficient assessment of the risks to which relevant persons are exposed, for the purpose of identifying the general fire precautions needed to comply with the requirements of The Regulatory Reform (Fire Safety) Order 2005.

A competent person should carry out the fire risk assessment. Where any doubt exists, or the assessment identifies areas for concern, it may be appropriate to employ the services of a suitably qualified consultant.

The significant findings of the fire risk assessment must be recorded if:

- Five or more people are employed; or
- A licence under an enactment is in force; or
- An alterations notice requiring this is in force.

To remain valid, the fire risk assessment will need to be kept under constant review and revised as necessary.

If you need further advice, please consult the publication **Fire Risk Assessments in Small and Medium Places of Assembly** which provides information about the Regulatory Reform (Fire Safety) Order 2005. This publication is available from the MHCLG website (www.gov.uk/workplace-fire-safety-your-responsibilities/who-is-responsible).

We recommend that you use the attached link to the Kent Fire and Rescue Service Business & Property Protection Portal: <http://www.kent.fire-uk.org/your-safety/business-safety>. This will

Dear Daniel,

Re: Licensing Act 2003 – Review Proceedings
The Kings Head, Headcorn Road, Grafty Green, Maidstone ME17 2AN

We act on behalf of Ei Group Ltd. Our client is the freeholder owner of these premises and we have received a copy of the application for review of the premises licence by the Police dated 22nd February 2023.

We would be grateful if you would accept this letter as a formal representation on behalf of our client.

Ei Group Ltd owns around 4000 public houses in England and Wales. The vast majority of these premises are the subject of lease/tenancy agreements through which the tenant operates his/her/its own business out of our client's premises. The lease/tenancy agreement makes it clear that all operational responsibility for the premises lies with the tenant. The Kings Head is the subject of a 27 year lease agreement in favour of Kenneth and Evelyn Sweet, the premises licence holders.

Please note that we take a wholly neutral stance with regards to the allegations made given that our client has no operational responsibility for the operation of these premises.

Our representation is that the licensing objectives will be promoted by the removal [REDACTED] of the premises licence holder' (as described in the review papers) from the premises so he has no involvement in the running of the premises and also isnt allowed to live on the premises. Plus, the addition of some intense staff training for the management as to their responsibilities under the Licensing Act 2003.

We would be grateful if you could acknowledge receipt of this representation and advise as to the date of the hearing as our client may wish to expand upon it at the hearing.

We look forward to hearing from you.

Yours faithfully,

To whom it may concern,

My name is Polly Soper and [REDACTED] The King's Head, Grafty Green.

For over 30 years the Sweet family have warmly welcomed patrons into The Kings Head, their home. In all of these years there has never been any incident, cause or reason to doubt their integrity or call into question the unblemished reputations of Ken, Eve or Beverley.

This family are kind, honest, exceptional people who are beloved by the community. They are the linchpin of the village and as such are held in high regard and hugely respected following decades of loyalty and the expert running of The Kings Head, Grafty Green.

This is a true and honest character reference based on my own personal opinions and experiences.

Kind regards

Dear Mr. Williams, it has come to my attention that there has been some police interest in the Kings Head Pub in Grafty Green. I have no idea what this is about, but I would like to take the opportunity to support the family that run the pub, and state that it's beyond my belief that they could be responsible for any improper behaviour. I have known the family for almost twenty years, and during that time I have found them to be people of the highest moral standards, and integrity. They are hard workers, and have managed to maintain a respectable, reputable and successful business at a time when many others have failed. They have done this because they are a special breed, that is unfortunately rare these days. They can only be victims of malicious rumours, and I can't imagine why. I hope this situation can be resolved without any harm coming to such a great family. I would be happy to speak on their behalf in whatever circumstances. Kind regards, Ron Sorrell. Dear Mr Williams,

The Kings Head

We are writing in support of the licensees of The Kings Head because we understand that you are considering the status of their licence in view of recent events. Although we are aware that the events may be considered serious we would like to appeal to you to give this matter your most compassionate consideration on the following grounds:

[REDACTED] the Kings Head and can totally vouch for the fact that it is a perfect village pub. We are older people (57 and 71 years old) and we are regulars, visiting the pub at least once a week if not more. It is a warm and welcoming place for older people, never any hint of trouble, and very popular with all of the villagers. We have never noticed anything untoward and have always felt totally comfortable there. We were therefore saddened to hear of the current issues, as are all of the Grafty Green community, and wish to add our support to that you have no doubt already received from the local people.

We wish to vouch for the Sweet family, who have always been exemplary landlords and the kindest most genuine people you could ever meet. My husband and I are both professional people, (I am a Tax Adviser and he is a TV and Radio presenter) and we are more than happy to give character references for Beverley and Ken if that will assist them in any way. We are horrified to hear that Ken and Eve may lose their home after 30 years, and at their age.

My husband, James Whale, [REDACTED] and I cannot express how grateful I am to the entire family at the Kings Head for the kindness and support they have shown us during James's illness. They have driven James to appointments that I have been unable to attend, looked after our dogs when we have had to spend days at the hospital, and always welcomed us with open arms into the pub even when James is very sick and probably likely to put other customers off. There is often a disabled young man in a wheelchair in the pub on a Sunday afternoon too and it is just heartwarming to see how welcome they make him. They do not discriminate and are just the epitome of the perfect traditional pub landlords.

Please take into consideration the above facts when you are making any decisions that you are required to, and if we can be of any further assistance in this matter please let us know.

Yours sincerely,

Nadine Lamont-Brown and James Whale

Good afternoon,

Please accept this email as a character reference for Ken & Eve.

They are a huge part of our community. We join them Most Friday evenings, mainly for our daughter to see Ken and give him a cuddle and tell Ken about what she has done at school. I've never met such a lovely couple. I would hate to see Ken, Eve and the pub not be in the village. It would not be the same anymore.

Best wishes,

Re: Kings Head Public House, Headcorn Road, Grafty Green

Dear Sirs,

I am writing this statement as a character reference for the Kings Head Public House, Headcorn Road, Grafty Green and the members of the staff and family that run the establishment. I have been a patron of the establishment for a number of years, since moving locally in April 2016, however becoming more frequent in the last year since the easing of COVID 19 lockdown restrictions.

My family and I have never considered ourselves a local of a pub up until recently, historically this is because it was hard to find an establishment that the whole family could feel safe and part of a community as we have now found at the Kings Head.

Even before we became more regular at the establishment, my children (M - boy aged 7 and S – Boy aged 15) enjoyed coming down as catered for both their needs. M, enjoyed playing in the garden with the play equipment and S, enjoyed playing pool. They always felt welcomed and relaxed and had many good times spending time as a family and meeting friends.

About 18 months ago, or just over, one of our neighbours invited us down for a birthday drink, it was at this time we started to really feel part of the community. This was a post COVID world where meeting people still felt a little strange, but something we longed for as the loss of local community spirit over the lockdown period had an impact on all of us and was a refreshing change. It was at this time that we really started to engage with Beverly “Bev” and her family and felt a home away from home.

We found ourselves popping in often to see everyone down there, chat with local neighbours, make new friends and engage with the owners and family. If stress was high from work or felt like we just needed some relaxation, we would pop down and immediately feel better in a warm friendly atmosphere.

M, is a typical child that seems to only be interested in playing on gadgets and can be a little over excited at times. It is sometimes hard living outside of a town to strike a balance between entertaining him in a creative

way and not letting him play on a games console. But he loves going to the Kings Head, a gadget free zone where he can meet his friends (with their parents) and play and engage. At times, he and his friends can become a little over excited and forget the rules, they have to be reminded. This is where I have a lot of admiration for Bev, she notices that we as parents might be getting agitated with our children's restlessness and engages with them in the most patient and kind manner. An example of this was near Christmas, the kids were excited and a little bit fractious wanting to run about, Bev approached us and the kids with a "new" game (Shut the Box), taught them how to play and spent 5-10 minutes playing it with them, gave them a little pep talk and calmed them down before returning. They had a great, and much quieter time, playing and have asked about it since.

S, is currently sitting GCSE exams and is feeling the pressure of them, plus having a slightly annoying little brother a bit of respite is needed from time to time. When asked he often suggests popping down to the Kings Head for some down time, a soft drink and maybe a game of pool. He also likes taking our new puppy down to engaging with other locals which is so important for his social skills.

In conclusion, we as a family find the Kings Head to be a vital community space that is warm and welcoming, a meeting place for family, friend and neighbours. We ultimately feel safe and cared for by the owners and the family who have always been kind, engaging, interested in us and offer great customer service.

Yours Faithfully,

Richard & Hannah Thompson

Dear Sirs,

Re: Notice of Application to Review a Premises Licence – Kings Head, Headcorn Road, Grafty Green, Maidstone, Kent ME17 2AN

This letter is to register support for Ken & Eve Sweet and Beverly Simpson-Sweet.

We moved to Grafty Green almost six years ago. On our first full day in our new home we took a break from unpacking etc. and went into the Kings Head to say hello and introduce ourselves. The welcome we received from Ken, Eve and Bev was so warm and friendly we felt as if we had lived in the village for years. On the second day in our new home our parents came to visit but had difficulty finding our property. Mum went into the pub to ask if someone could help with our location. Ken immediately walked her over the road to show her where we lived.

Occasionally our family join us in the pub, including two grandchildren aged 8 and 4. Even though they don't live in Grafty Green and are not regular visitors to the pub, they are always made to feel very welcome. On one occasion Bev spotted our grandchild attempting to climb onto the pool table. She very calmly and quietly spoke to him to explain how dangerous it was for him to be climbing on the table, no fuss, no bother, he came away a happy chap.

The writer of this letter was a member of the ladies darts team at the pub for several years and for every home match, Eve and Bev provided a lovely supper for both teams. Sadly the darts league disbanded due to Covid but a few of us still meet most Thursdays to have a friendly game of darts and a catch up with each other.

During lockdown we were allowed to order takeaway fish and chips, which we did most Fridays. To this day we still have takeaway fish and chips most Fridays, sometimes eating in the pub.

Bev was the driving force behind arranging a very successful day in the village to celebrate the Queen's Jubilee last year. Everyone who attended had a fantastic time enjoying entertainment during the afternoon and into the evening.

One of the grounds for the review is Protection of Public Nuisance. [REDACTED]
[REDACTED] Kings Head and in the six years we have lived here we have not experienced any nuisance from the premises i.e no excessive noise etc. In fact, there is more nuisance caused by one of our neighbours livestock (cockerel and geese) and yapping dogs.

Ken, Eve and Bev have always shown a strong work ethic and are always so warm, friendly and welcoming. We have never seen or heard of anything happening that would cause us, or our family, any concern at being in the premises. As we work for most of the week we are sure that, without the pub, we would not have met and made friends with so many lovely people.

The Kings Head is a brilliant asset to Grafty Green where everyone, villagers and strangers, are always made to feel very welcome. The pub is a place in the village where people can meet up in a warm and friendly atmosphere.

Yours faithfully

V. King

To whom to my concern.

I'm writing to make a representation on the above, because I am shocked and stunned that this is necessary, and would like to give my personal experiences with the Ken, Eve and Bev.

[REDACTED] the pub and pub garden, my parents moved to Grafty Green when I was 16, (I am now 62) and the pub has been a pivotal venue for many for our family celebrations and events. There isn't a year that we don't go on Christmas morning for a toast to the season, it's our family tradition. When my father was alive he visited most evenings for a night cap until he became too ill. This connection with the pub was strengthened when Ken and Eve took over and remained unchanged when Bev joined them.

In all this time I have not witnessed anything that gets close to the grounds on the notice. On the contrary, all my kids and grandchildren have enjoyed many events in the pub and my 16 year granddaughter is very fond of Ken and Eve. The pub garden often has children playing, weather permitting and there is a kids room for them. I've never seen anything that would put them at risk or in danger.

My late father had a lot of respect for how the pub was run and as a family we always feel safe and comfortable when visiting. They go out of their way to cater for everyone in the community. For example, my father and I have organised many fundraising events over the years, Ken, Eve and Bev always supported these events and go above and beyond to help make these successful and safe for everyone in the village.

With respect to the public nuisance, I have never suffered any disturbances or noise issues in all the years I've been living here. When there is a special event I can hear music, but it's never too loud or goes on unreasonably late. Additionally, I've never witnessed or heard any trouble at these events.

From my own very personal perspective, they were extremely supportive when my father was ill and after he died they provided me emotional support which I was so grateful for. I know that they do this for other people in the village too, not only providing a venue for wakes but also becoming good listeners when people are going through the grieving process.

It would be extremely sad if they were not able to continue in the pub, there would be a gaping hole in our whole community without them. I've not requested additional details of the grounds because I'm sure I don't need the details to make this representation, as I have not experienced or witnessed anything that would justify this licensing review.

If you require any more information, please do not hesitate to contact me as I would be happy to help Ken, Eve, Bev and family anyway I can.

Further to your review of the licence of the above I would like to make a few comments on there behalf.

I have been a customer of the Kings Head for some 10 years and in that time I have experienced a very professionally run establishment always extremely friendly and courteous. Furthermore in that time I have never experienced any disquiet or problems of any description. The licensee and family are also very supportive of the local community.

I hope these comments will help in support of your enquiry.

Re The Kings Head Pub, Headcorn Rd, Grafty Green, Maidstone, ME17 2AN

Dear Sirs,

Please accept this email as a reference of character for Beverly, Ken and Eve of the Kings Head, Grafty Green.

My family, children and myself have been using the pub on a regular basis since we moved to the area in 2008. Since that time we have always found the pub to be exceptionally well run, friendly and an important part of community life for all of us. Living in Platts Heath, which has no pub, it has become an important meeting point for local families, who are all made to feel most welcome. During my time as school Governor at Platts Heath Primary School, Ken, Eve and Bev were incredibly supportive of our school and PTA. They regularly supported us with donations for our Christmas raffle and also allowed us to host some of our events in their garden.

I have never found the pub to be anything but a well run, friendly place. I have never witnessed trouble of any sort there and believe that it is an incredibly important part of the community and has been made so by its excellent management.

Please feel free to contact me should you require any further information.

Kind Regards

Phil

Dear Sir/Madam

Licensing Review: Kings Head, Headcorn Road, Grafty Green, Maidstone.

We write to give our full support in renewing the above premises licence.

We have lived in the village for forty years  and have got to know the family very well, ever since they started running this public house.

The family has become a key factor within the community of the village and we have never seen or heard any thing but good things regarding this family.

We were flabbergasted when the recent police raid was made on the premises of the 80+ year old couple and their daughter, and which we understand was only based on hearsay.

Mr Ken Sweet was also a keen member on the local clay pigeon shoot, who since the police action, has also disposed of his guns.

It is ridiculous that this licence should be questioned and hope that good sense will prevail in this matter, we can only repeat again that the Kings Head is a family friendly public house under the present licence owner, and we will happily be taking our grandchildren over there again.

Yours faithfully

Dear Sir/ Madam,

I feel compelled to write to you after seeing the notice posted at the Kings Head, Graftey Green, Maidstone, Kent

Me17 2an and give you an honest opinion of the establishment and on Mr Ken Sweet and family.

I have frequented the Kings Head with my family since around 2000 and have witnessed nothing but a trouble free, family run public house right up to currently.

I took my daughter in their regularly in her school years and was always met with a warm welcome and a safe environment both inside and out. Ken and his daughter Beverly are great local people and are a huge part of the community. They even opened the pub specially following my father's recent funeral to allow us to toast him at his local pub, where he also drank well into his eighties and was always in a safe environment, despite him suffering with [REDACTED]

My mother, brother and I were always comfortable with him going there and sharing stories with Ken and the locals about "the old days" and there is no way I would of permitted him to go there if it wasn't such a great, safe family run establishment.

As a family we have attended many local events at the Kings Head, spent many hours in the garden and never ever had a negative experience or seen any wrong doing. Ken is seen as a father figure by myself and many of my peer group, who have grown up in the local area and his advice has been responsible, firm, fun and fare.

In summary the Kings Head of Graftey Green is a fantastic local, safe community pub run by a wonderful family and I cannot understand why this would be in question by yourselves unless someone has supplied you with false information. I truly hope that through this process you get a true reflection of this family and how much they add to the community in a great old fashion local pub.

Yours sincerely

Paul McDonnell and family.

Dear Sir/madam

I am writing as a concerned member of the public and a frequenter of The Kings Head Public House, Headcorn Road, Grafty Green, Maidstone. ME17 2AN.

I understand that the Licence for the establishment is under review after malicious claims against its tenants for several issues stated on the review notice attached to the front door.

I call these malicious as I have frequented the establishment for a number of years. I moved to the area after retiring, having served 30 years as a Police Officer in London. My thoughts are one of dismay as I am unaware of any occasions when the establishment has been visited by Police or Licensing Officers for any offences, disturbances or public nuisances as described in the notice.

I for one, would not be happy socialising in any establishment or indeed take my wife, family or friends into any such premises if I believed that to be the case. On the contrary, I find the friendly atmosphere and hospitality shown by the Licensee and staff exemplary and warming, which is what I would expect and have never witnessed anything untoward during my visits.

The family run business has been in good hands for over 30 years and respectfully ask that the Sweet family be afforded the right to continue the service which has been faultless.

Yours faithfully

Re: The Kings Head Public House Grafty Green

To whom it may concern:

With reference to the Kings Head public house in Grafty Green, I have been along with my partner, patrons of this public house for a number of years now and was some what shocked to hear of the recent development regarding Kent Police.

I am a current Fire Arms and Shot Gun Licence holder and have been for many years, My reference for my Fire Arms application came from the Royal Armouries. I am the chairman of a local archery club and marshal of a medieval living history group that celebrates its 60th year this year, so I know my way around a variety of lethal weapons. I also hold an enhanced CRB check.

In all my time spent in the Kings Head I have never felt in anyway threatened or in any danger from those working there or from any customer. I have never witnessed any threatening behaviour towards any one; on the contrary everyone is made welcomed. There is always a warm and friendly welcome for everyone.

 Ken and the whole family have given me great support since then and continue to do so. My partner Hilary has worked behind the bar for Beverley when she has needed help.

I have always found the whole family, Ken, Eve, Beverley, and their grand children the most welcoming. They run one of the friendliest public houses in the area. They are and continue to be a great asset to the village and along with their family would be greatly missed if they lose their licence.

Dear Sir/Madam,

**Response to Notice of Application to Review a Premises Licence at Kings Head,
Headcorn Road, Grafty Green, Maidstone, ME172AN**

This emailed letter follows a brief conversation with your office this morning after reading the full details of the police report on Kentonline published yesterday morning Sunday 19th March.

I am sure you have received many letters from people in the local community of Grafty Green in support of the Kings Head. I came to Kent in 1984 to work at KCC as Principal Adviser for Special Educational Needs and retired some 15 years ago as Head of the Schools Advisory Service. My wife and I chose to purchase a house in Grafty Green because it was central to the whole area I needed to Visit (this was when Kent and Medway were one authority) and close enough to my office at Maidstone Council House.

Having lived here some 38 years, we were here when the King's Head was taken over by Ken and Eve some thirty years ago and have never in that time experienced any difficulties with the pub in the community. Quite the contrary, as a member of Headcorn Morris for 28 years and a Folk musician, Ken and Eve and indeed in later years their daughter Beverley have always been very welcoming. Headcorn Morris (until its sad demise last year) practiced on Thursday evenings at Grafty Green Village hall and enjoyed being welcomed into the Kings Head afterwards. We were always welcome to dance there on May Day and Boxing Day, with very happy memories. For a while we were also welcomed on the last Sunday in the month to play and sing folk, which the local people enjoyed and given we were acoustic not at all disturbing to the locality.

Our son and daughter are now 36 and 38 years old this year. How anyone could say that children need to be protected from harm at the KH I don't know. Our children were made most welcome and enjoyed the Children's room and the outdoor play facility, which were both very safe areas. They both have very happy memories of being there. The Kings Head has always played a significant role in village activities, making the Village Hall, Village Green and Pub feel like a combined happy place for all villagers to enjoy.

Now to the police allegations. As regards the guns. Four shot guns were licensed, three correctly stored and one found on the stair landing. It should be made clear that there is no public access to the upstairs accommodation from the bar area. In all my time here I have never been upstairs, this would mean going through the kitchen at the far corner to reach the stairs, which certainly could not be done accidentally. Given that the pub prides itself as the place haunted by Dover Bill the Highwayman (the building is 16th century), it should not be surprising that there might be two imitation firearms dating back to that period.

The drugs are more difficult to explain. It does not seem likely that they are the result of any trafficking of drugs but some individual's personal supply. In all our time in Grafty Green, let alone the Kings Head, we have never come across even the mention of drugs. Certainly Ken, Eve and now their daughter Beverley have never given the slightest indication that they take drugs. Whatever the reasons for what the police found upstairs I do not believe Ken and immediate family were involved in this. Someone or persons have abused their hospitality without their knowledge and made them innocent victims of crime.

Should they lose the license as proposed by the police, this will result in a tragic loss to the whole community.

Yours Faithfully,

John and Veronica Moore

Kings Head Grafty Green

I WRITE THIS LETTER AS A PRIVATE PERSON AND NOT AS
A BOUGHTON MALHERBE PARISH COUNCILOR.

Members of the Licensing committee,

I have been a regular user of the Kings Head public house since I moved to the area 38 years ago. I have seen three licensees in that time with Mr K Sweet being the longest serving one by far. With Mr Sweets advancing years his daughter Beverly has taken on more of the work of running the public house.

In all the years I have used the Kings Head (once or twice a week) I have never seen or heard of anything to do with the possession or sale of any thing other than the products the Kings Head is licensed to sell. The regular evening customer base is in the main far from the first spring of youth.

To add further, I have never seen or heard a problem with any unpleasant behavior by the staff or customers, not even a raised word and have always felt completely at ease.

Unless a starting pistol is of one particular make then it is perfectly legal to own one without a license like wise provided the muzzle velocity is below the legal limit for an air powered device then that again is perfectly legal to own.

None of the devices mentioned on the police notice have ever been seen by myself in all the years I have used the Kings Head.

Mrs and Mrs sweet are of advanced years and both are 

Without their daughters help it might not be possible that they could continue to remain in what is also their home.

I would ask you all to not to revoke the license or to have their daughter Beverly removed from the position she holds and to allow her to continue to run the Kings Head in conjunction with her father.

Yours sincerely

Dear Sirs,

Re: The Kings Head Public House Grafty Green

I have been the proprietress of a riding stables near Canterbury since the early 1970's. For many years I was horse adviser to the Royal Armouries, both in their museum in Leeds Yorkshire and at the Tower of London. I supplied horses for film work, for jousting and for archery demonstrations which culminated with my introduction to the late Queen Elizabeth II.

For some time now my partner and I regardless of the considerable distance from our homes have thought of the Kings Head as our local pub. We have also been in the mind to move to the village of Grafty Green to be close to and so part of this wonderful community which revolves around this hostelry. This pub embodies all that is so special about this place and its welcoming family of Ken, Eve and Beverley.

These allegations in no way represent the caring, loving feeling that ensues from this popular pub that envelopes you into its fold.

I can categorically state that I and I'm sure many of my fellow patrons will not cross the threshold with another publican installed.

Yours faithfully

A submission in support of the licensee.

We all live locally and have been regular patrons of the Kings Head for ten or more years. Our reasons why we think the present licensee should be allowed to continue with her current premise license.

We love the atmosphere created by the family (Eve, Ken and Bev), friendly, accommodating a hub for locals, full of conversation, laughter, warmth in the winter, beer garden full of families in the summer. The archetypal country pub.

The licensee and staff have always insisted on civil standards of behaviour within the premise and are prepared to enforce if necessary, as with any well managed organisation rarely needed.

At no time when we have been in the pub drug use dealing or offensive weapons of any sort or heard that this takes place. We want to make it clear that we are against any illegal drug dealing or use and those responsible should suffer the appropriate punishment. The other offensives would appear to hinge on the circumstances of which we know nothing.

A plea for leniency.

Good traditionally run pubs are a dying breed, if it's possible please don't kill another one. We appreciate there are legitimate issues too be addressed and it is your duty to properly deal with these issues, clearly changes need to be made. If there any way you can deal with these offences in a just manner without rescinding the premise license, we plead with you to find it.

Dear reviewing committee,

I would like to show my strong support to Beverley Simpson Sweet and Kenneth Sweet in respect of their management of the Kings Head public house in Grafty Green.

I have been a regular visitor to the pub for over 30 years and regard it as one of the best in Kent. I used to bring my children with me and would now have no hesitation in taking my grandchildren there - I would have absolutely no problem in worrying about their safety inside or outside of the pub.

The pub is a mainstay of the village, and surrounding areas and I am always happy to recommend it to friends and neighbours and tourists and all of them have thanked me for it.

I am obviously not aware of what has happened to launch this investigation but would hope that the decades of running a fantastic pub and local amenity will be taken into account when making any decisions.

Yours faithfully

Comments: 18/03/2023 12:05 PM I moved into the area in 1985 and have been a frequent customer of the Kings Head. During this time, I have always regarded it as a well-managed and family friendly pub.

I am not aware of any incidents or cause for concern prior to the current referral for a review. The current landlord has been in residence for 30 years and has continued to maintain the high standards expected of an establishment that relies on local community support. The provision of equipment in the pub garden reinforces the family centric approach. Combined with the support for local activities the licensee has established the Kings Head as a key element for Grafty Green and the surrounding villages.

We have already lost the four public houses within a three-mile radius, as well as the village shop and post office. This again reaffirms the importance for this house to remain a viable business and community hub.

Regarding the reasons for the review being requested , they appear to be minor issues based on information received and subsequent police investigation.

My understanding is that a BB type plastic gun which was found broken in the pub garden and stored under the counter as lost property pending possible reclaiming by the owner.

The small amount of cannabis for personal use and a prescribed drug [REDACTED]

[REDACTED] This is a personal matter and has no bearing on the ethos or activities within the pub.

None of the above pose any threat to public safety or suggest that any crime or disorder is foreseeable in the future.

There have been no reports of public nuisance

The facilities provided by the licensee are regular checked and provided in a safe enclosed environment for families with children to enjoy a family outing to the village. There has not been any demonstratable harm to children

I would therefore like to add my support for the continuation of the licence for the current landlord

Dear Sir

I have been a resident of Platts Heath for 27 years and have enjoyed many hours over the past 10 years relaxing with family and friends at the Kings Head.

I was until recently MD of my own very well established company and would think of myself level headed and observant.

I have in all of the past 10 years never witnessed anything that could be considered as inappropriate or harmful to any patrons or staff, the atmosphere is always friendly.

As I know you are aware so many village Pubs are closing and communities are being split as a result but it's not just the physical presence of the village Pub, it's the quality of the people that run them.

I would ask that your review reflects on the comments of the local community and the history of the past 30 years of the Kings Head.

Yours Faithfully

Comments: 19/03/2023 3:11 PM Having visited this family establishment for many years, th s family run pub is honestly one of the best pubs to have gone to. The licensees are wonderful people, so friendly, genuine, and always engage with their customers. They are active in ensuring the wellbeing of the locals, and always encourage the return of newcomers. Everyone is always having a laugh, and the licensees are such amazing people, with their customer service being to an exceptional standard. When having a drink, we are often provided with free snacks, which is a perfect topping to our outings. It is such a welcoming environment, and they make you feel like they are your family. You can tell that this is one whole community when visiting, and I do not believe there is another pub that has the ability to rope so many people in, and keep them as returning customers. This place holds an extreme uniqueness, and it is a fresh taste of what the pubs in all those fanciful movies are like. It is a pity that there are not many places like this! This pub is a warm place that reminds you of home, as soon as you walk through the door. I've never known a place with such great hospitality, and it truly is a rare find. This place honestly has the ability to make each individual that steps through the door like they are the only one in the room, and it makes us truly feel special, leaving a lasting impression; which is exactly what a customer wants in any business

I have worked at the Kings Head for 18 months as a cleaner. I have done bar work on and off for over 20 years. I also drink at the Kings Head occasionally myself and sit with people I know. I am married with 3 children.

I am shocked at the allegations. I have never seen anything untoward. The people who frequent the pub are mostly middle aged or retired locals, occasionally at the weekend's young families. It is a very friendly, safe pub.

I have never found any evidence of drug use when cleaning the premises or the toilets and would have flagged it up straightaway if I had.

I know the location of the lost property locker and have occasionally put left behind clothing like cardigans in there.

Licence Review- Kings Head,
Headcorn Road,
Grafty Green,
Maidstone, Kent
ME17 2AN.

Dear Sirs,

It is with shock and disbelief that I learn of the review of the license of "The Kings Head" Grafty Green. I have known Ken and Eve Sweet for over 30 years and it has been a privilege and a delight to have done so. They have been at the centre of community life in and around Grafty Green being a family run public house for families. Their generosity and support for local groups and individuals has been a hallmark of their trading ethic.

As a "mine host" warmly welcoming strangers and locals alike, they have been exemplary in how to run a popular pub and the congenial, jovial atmosphere they have created is obvious to all.

I ran a folk music club on the last Sunday of every month at "The Kings Head" for many years which attracted attenders from all parts of the county. It's popularity was very much down to the generosity and kindness of the landlord and his wife. Snacks were provided free of charge during our breaks and their support and encouragement ensured that folk music including Morris Dancing could be found there on many occasions.

Clearly, there has been some kind of mistake with this review. Ken and Eve's whole philosophy of life does not and would not include criminal activity of any kind. Someone or persons have abused their hospitality and premises without their knowledge and made them innocent victims of crime.

I trust this miscarriage of justice can be simply resolved leaving Ken and Eve completely exonerated from any involvement so we can have them back behind the bar as the brilliant publicans they are.

Yours faithfully,

Dear Sir

I work in the office of a children's nursery Monday to Friday. I am DBS checked. I have been working on Friday nights at the Kings Head from 6.30 to 10 pm for about 3 years. I don't need to do this job, I do it for social reasons.

I am shocked at the allegations and would never have considered working there if I had had any concerns. When we first moved here, we found it a good place to meet local people. It is a family friendly pub, everyone gets on well, it is like one big happy family. It was my dad who came across it. He popped in and had such a lovely welcome that he recommended it to us. My dad is a retired policeman and would never have suggested we go there or tolerate me working there if he thought there was anything wrong.

The premises are safe for children, there is a children's play area and games for children to play indoors. I have only ever seen kids' toys and random bits of jewellery in the lost property locker, but I don't look in there much. People do leave items on the bar sometimes. A chap recently left his phone there and another lost his glasses and that's where they were found.

I comment on the licence review for The Kings Head, Grafty Green 23/00670/REVIEW For 22 years I was subpostmaster at Grafty Green Post Office and owned and ran the village shop. During this time I felt the Sweets at the pub and we all worked for the good and welfare of the community. I am aware of many acts of kindness done by them especially for more frail members of the community.

I do not condone any illegalities as regards the licence but do believe the Sweets in the future will conform and that because of their personalities and abilities the community will be a more vibrant and safer place through their presence.

I have known Mr Ken Sweet and his own family for over 30 years and helped behind the bar on many occasions. They are an honest, hard working group of individuals who put 100% in to the running of the Kings Head Public house. It is the heart of a respectable village and attract people and families from near and far. Many of the clientele have known Ken Eve and Beverley for as long as I have. Lots have had their own families grow up in and around the King's Head. Parents are still regular customers and families ow frequently visit, I know it is often the children asking their parents to cone and see Beverley and Ken.

There has never been any serious or dangerous incident at the premises and I have never witnessed anything suspicious or unlawful going on. There is no public disorder ever, no crime or nuisance as the review notice suggests and it is ludicrous and completely ridiculous to suggest children need to be protected There. They could not be safer as their parents will confirm. For a family that has always been professional and lawfully running their pub for so many years, it is a credit to them and one that they should be immensely proud of as are their customers and neighbours.

Dear Sir/Madam,

Our names are Felicity and Gary and we have known the landlord and landlady of the Kings Head since 2019.

We started using the pub shortly after the Covid lockdown rules were lifted in the summer of 2019 as the pub has an outside play area for children. We have two young children and from the moment we arrived as a family, we have been made to feel so welcome.

Our two children adore the landlord and landlady and vice versa. They make all families feel very welcome and cannot do enough for them. From what we have witnessed our children and others are in a safe and caring environment and are all very happy when visiting the pub.

Also, the landlord and landlady raise money for the Lennox Childrens Charity on a monthly basis, therefore the grounds for review, particularly on the 'Protection of Children from harm' seems utterly outrageous and a malicious vendetta. They only have caring and good intentions for all their customers.

We understand the seriousness of the matter but sincerely hope that the licensing authority will show some leniency as these people are good, honest, caring and hard working. They have been running a successful business for the past 30 years and are valuable members of the community.

Yours sincerely,

Gary Cordrey and Felicity Nichols

Dear Sir/Madam,

Before we moved to Germany my family and I were regular customers in the Kings Head in Grafty Green. Friday's Fish and Chips meal was especially enjoyed by everyone in the family and the atmosphere has always been very friendly and inviting. We always had the impression that the pub was well established and played a vital role not only in the village community but also attracted customers from other parts of Kent because of its good food and drinks.

After our move to Berlin we continued to pass by and stop for food and drink on our numerous visits to England. Even our children, who were very small when we first met the Landlord and Landlady and are now adults themselves, always make a point of visiting the Kings Head on their regular visits to England. In all that time we have experienced great hospitality from the Landlord and Landladies and enjoyed the warm and welcoming atmosphere they created. We have always had the impression that they are upstanding citizens who actively play a role in the local community, encouraging youngsters to stay out of trouble and providing a pleasant meeting place for people of all ages. They were very conscious of keeping an orderly house, and had a knack for foreseeing and nipping any disorderly conduct in the bud in a firm but friendly way, thus ensuring that situations did not escalate and the pleasant atmosphere was not marred in any way. They run their business professionally, with integrity and understand the meaning of hospitality. We have always had the impression that they take their responsibilities as Landlords very seriously.

The Kings Head provides a meeting place for many people, old and young, in an area which offers very little in the way of recreation for the local citizens. It is a focal point in the village, bringing people together and would be sorely missed by many. We would therefore like to express our support of Kenneth and Eve Sweet and their daughter Beverley and sincerely hope that we will be able to visit them in this wonderful British village pub many more times in the future.

Yours faithfully,

Ronald Borowski and family

Good Afternoon,

At a meeting held on 6th March 2023, Boughton Malherbe Parish Council resolved to submit the following comment with regard to the review of the licence at the Kings Head, Headcorn Road, Grafty Green, Maidstone, Kent, ME17 2AN:

“So far as the Parish Council has seen, the establishment is meeting the licensing objectives: keeping people safe, not a source of crime, not a place in which people feel unsafe, has a good relationship with neighbouring properties.”

To Whom It May Concern

Re: The Kings Head Public House, Grafty Green

We have lived [REDACTED] since 1980 (other family members since 1901). Ken and Eve Sweet and their daughter Beverley, have been the lovely landlords for the past 31 years.

They are hardworking, honest, kind and helpful, providing a friendly warm welcome to all their customer, in a safe pleasant environment.

The pub is popular and under Ken's management, rowdiness and fighting are not tolerated, ever. The family is an asset to the village, and we would like them to stay.

The Kings Head is the heart of Grafty Green but more importantly is their home.

We offer Ken, Eve and Beverley our full support in their bid to keep/renew their licences.

Yours faithfully

M S Smith and R Smith

I wish to attend and speak at Maidstone Borough Council's review reference 23/00670/REVIEW into the licence held by the King's Head Pub in Grafty Green. Please inform me as to how I can achieve this.

Also please consider the following comments in regards to the same.

The pub under its current management family has a more than 30-year history of providing good service to the village and, whilst doing so, keeping on excellent relationships with the surrounding properties of which I occupy one. This is the situation that the licensing regime seeks to protect in its objective of preventing public nuisance although not achieving in many parts of the borough. It would therefore be counterproductive to end that without sufficient basis.

I am confident that you need no persuasion of the acute isolation that is often felt in rural communities regarding crime. Grafty Green lies in far closer proximity to areas where the police fear to tread than it does to a police station. Whilst I do not expect condoning of the precautions taken, I hope they are viewed as understandable and not indicative of a threat to public safety. I can vouch for the contrary in this case. The King's Head has an exemplary history of managing the challenges that face a rural pub in these circumstances in a reasonable and lawful manner.

The police appear to be insinuating that the premises was used for drug dealing which is presumably why they have requested such a ruinous response. I refute this absolutely. I have been both a neighbour and customer of the pub for over twenty years and have in that time had no occasion to believe any such activity to be emanating from there. Neither would it seem, have the police. It would appear that, having concluded that they do not have sufficient evidence for prosecution, they seek to achieve punishment for unsolved crimes through mere suggestion that they relate to the licence. This defies paragraph 11.24 of the Secretary of State's guidance and the MBC licensing policy which, in referring to matters outside the scope of the licence, "would expect those authorities to use their powers and duties within their statutory roles to control such matters."

I encourage you to consider that the licence revocation requested is both disproportionate and contrary to the public interest. It would be detrimental to the licensing objectives and damaging both to the community and residents of Grafty Green.

Regards,
Nicholas Eastwood

Dear Sirs

With regards to the Kings Head licensing review, we would just like to say that we have always found the proprietors and bar staff to be very welcoming and friendly and over the years we have enjoyed our family gatherings there on many occasions. It is very much an old traditional village pub with a warm and friendly atmosphere where we have never experienced any antisocial behaviour or any wrong doings.

Dear Sirs,

Re - The revoking of the license for the Kings Head Public House

I write as a member of the public and am not representing the Parish Council or any other authority.

I have been a regular user of the King's Head since before Mr and Mrs Sweet took over as landlords and I have known them and Beverley as honourable and trustworthy members of our community. I believe that proper investigation will reveal that if some illegal activity might be provable on the premises it was certainly without their knowledge or approval.

I understand that the Police raid took place just after Mr and Mrs Sweet returned from holiday and this should be taken into account.

Having just returned from several weeks abroad I am shocked to learn of the news but with time running out I am unable to say more as my knowledge is limited to the notice on the door of the pub.

Mr and Mrs Sweet and Beverley have been model landlords in my experience and any revocation of the license would devastate our community for which the pub is the central hub.
