

AGENDA

MAIDSTONE JOINT TRANSPORTATION BOARD MEETING

Date: Wednesday 2 November 2011

Time: 5.00 pm

Venue: Town Hall, High Street,
Maidstone

Membership:

Councillors Beerling, Mrs Blackmore, Carter, Chell,
Chittenden, Cooke, Cox, Cuming,
Daley, English, Hinder, Hotson,
Robertson, Mrs Stockell, Thick,
Vizzard, Mrs Whittle and J.A. Wilson
(Chairman)

Page No.

1. Apologies for Absence
2. Notification of Substitute Members
3. Notification of Visiting Members

Continued Over/:

Issued on 25 October 2011

The reports included in Part I of this agenda can be made available in **alternative formats**. For further information about this service, or to arrange for special facilities to be provided at the meeting, **please contact JANET BARNES on 01622 602242**. To find out more about the work of the Committee, please visit www.maidstone.gov.uk

Alison Broom

**Alison Broom, Chief Executive, Maidstone Borough Council,
Maidstone House, King Street, Maidstone, Kent ME15 6JQ**

4. Disclosures by Members and Officers
5. Disclosures of lobbying
6. Minutes of the Meeting held on 5 October 2011 1 - 3
7. Petitions
Notice has been given pursuant to Council Procedure Rule 11 of the intention to present petitions in the following terms:-
 1. "We the undersigned petition the Joint Transportation Board/Kent Highway Services to introduce a 30mph speed limit in Sheephurst Lane, Collier Street, between Sheephurst Farm and Little Sheephurst Cottages"
 2. "We the undersigned petition the Joint Transportation Board/Kent Highway Services to introduce a 30mph speed limit in Green Lane, Collier Street, between Haviker Street and the Church"
8. Questions/Statements by members of the public
9. Report of the Head of Transport and Development - Update on Petitions Submitted to Kent Highway Services 4 - 8

FOR INFORMATION ONLY

10. Information Report of the Director of Kent County Council Highways and Transportation - Find and Fix Completion Update 9 - 12
11. Information Report of the Director of Kent County Council Highways and Transportation - KCC Restructure 13 - 16
12. Information Report of the Director of Kent County Council Highways and Transportation - Maidstone Winter Plan Service Handbook 17 - 48
13. Information Report of the Director of Kent County Council Highways and Transportation - Future Works Programme 2011/12 Update 49 - 64

Registering for Public Speaking

In order to book a slot to speak at this meeting of the Joint Transportation Board please contact Janet Barnes on 01622 602242 by 3.30pm on the day of the meeting. You will also need to inform us of the topic you wish to speak on. Please note that slots will be allocated on a first come, first served basis up to a maximum of ten speakers.

MAIDSTONE BOROUGH COUNCIL

MAIDSTONE JOINT TRANSPORTATION BOARD

MINUTES OF THE MEETING HELD ON 5 OCTOBER 2011

Present: **Maidstone Borough Council**

**Councillor J.A. Wilson (Chairman), and
Councillors Mrs Blackmore, Brown, Cooke, Cox,
Daley, English, Hinder, Hotson, Robertson, Springett
and Vizzard**

Kent County Council

Councillors Cooke, Daley, Hotson and Robertson

KALC Representative

Parish Councillor Ms Brown

Also Present: **Councillors Ash and Nelson-Gracie**

20. **APOLOGIES FOR ABSENCE**

Apologies for absence were received from Councillors Butcher, Carter, Cuming, Mrs Stockell and Mrs Whittle.

21. **NOTIFICATION OF SUBSTITUTE MEMBERS**

The following substitutions were noted:-

Councillor Springett for Councillor Cuming
Parish Councillors Ms Brown for Parish Councillor Butcher

22. **NOTIFICATION OF VISITING MEMBERS**

Councillors Ash and Nelson-Gracie were in attendance.

23. **DISCLOSURES BY MEMBERS AND OFFICERS**

There were no disclosures by Members or Officers.

24. **DISCLOSURES OF LOBBYING**

There were no disclosures of lobbying.

25. **MINUTES**

RESOLVED: That the Minutes of the Meeting held on 27 July 2011 be approved as a correct record and signed.

26. PETITIONS (IF ANY)

There were no Petitions submitted.

27. QUESTIONS/STATEMENTS BY MEMBERS OF THE PUBLIC

There were no Questions or Statements by members of the public.

28. MAIDSTONE TRANSPORT STRATEGY

The Board considered the report of Kent Highway Services and Maidstone Borough Council regarding the Transport Strategy as part of the Core Strategy consultation.

Discussion took place around four different areas of the strategy, namely Town Centre, Strategic Housing Development, Strategic Employment Development and Rural Service Centres/Rural Areas.

The Board agreed to submit a list of the key issues to the core strategy consultation.

RESOLVED: That the following comments be submitted as a response to the Core Strategy consultation on the Transport Strategy from the Maidstone Joint Transportation Board:-

- To include the gyratory and possible new cycle/pedestrian crossing over the river
- To review the former bridge gyratory scheme that involved the addition of the northbound A229 on the eastern side of the river
- That a transport interchange at Maidstone East is essential
- To consider the widening of St Peter's Bridge
- To consider the use of the River Medway as a transport option
- To undertake a review of the use of residential roads for parking by workers
- Cycle routes – quality of routes is more important than the quantity
- There should be a careful dispersal of development within the villages
- When considering where housing development should go, consideration must be given to the effect on freight traffic and other infrastructure issues e.g. sewerage and pollution
- The 80/20 split should be reviewed again
- The number of housing allocations for North West Maidstone should be reduced
- There must be recognition of the need for developers to contribute towards the road infrastructure
- The housing development should follow the existing and potential infrastructure
- There should be a good mix of employment opportunities
- The South East Maidstone Strategic Link would assist the regeneration of Park Wood Industrial site
- Consideration of Detling Airfield as a potential employment site

- The need to ensure rail services are kept in the Rural Service Centres
- A higher speed internet connection for villages will help to reduce travel as more people will be able to work from home

29. DURATION OF MEETING

5.00 p.m. to 7.18 p.m.

Agenda Item 9

Update on Petitions submitted to Kent Highway Services

A report by the Head of Transport & Development to the Joint Transportation Board

Summary

1. A report to update the Board on the current status of petitions received by Kent Highway Services (KHS).

Traffic Calming Measures, Heath Road, Coxheath

2. A petition was submitted in April 2008 by 59 residents, lead by Mr A R Monk of Westerhill Road, Coxheath. It sought action to improve the traffic calming measures installed along Heath Road, Coxheath as the petitioners felt these were dangerous.
3. A number of changes have been carried out to the traffic calming since the submission of this petition and as previously reported KHS had agreed to carry out a review of the safety record in Coxheath, further speed checks and complete the safety audit of the current scheme. This work has been completed and sent to the both the County Councillor and Parish Council. The Parish Council have recently held an exhibition to consult the community of Coxheath on alternative proposals put forward by their independent consultants prior to further discussions with Kent County Council.
4. Arrangements are currently being undertaken by the Cabinet Member in organising a meeting with Coxheath Parish Council to discuss a way forward.

Request for the Implementation of a Weight Restriction through Yalding

5. A petition was submitted in September 2008 by Yalding Parish Council with over 570 signatures supporting a previous request for a weight restriction through Yalding and that surveys of lorry movements through Yalding and East Farleigh be undertaken.
6. It was reported at the last meeting of this Board that surveys, paid for by the local County Councillor and Parish Council, had been carried out in November 2010. KHS received the results of these surveys in February 2011 and have subsequently circulated these to the relevant Councillors and Parish Councils. Once the Councillors and Parish Councils have had opportunity to consider these results further discussions will be held with the local community on the way forward. A verbal update on the Freight Action Plan for Kent will be given at the meeting.

Closure of Pheasant Lane, Maidstone South

7. A petition was submitted in August 2008 by some 120 residents, lead by Mr David Fraiss of Osborne House, Loose Road of the Pheasant Lane Action Group which sought the closure of Pheasant Lane to vehicles other than for residential access. The petitioners felt the lane was being used as a rat run, was too narrow for the volume of traffic has too many blind bends with drivers driving too fast and pedestrians are at great risk.
8. At the last meeting of this Board the permanent closure of Pheasant Lane to all through traffic was approved. The process to make the initial Experimental Traffic Regulation Order permanent has been initiated. The existing arrangement of preventing through traffic by removable plastic bollards has not proved durable and has now become a maintenance problem. KHS have investigated more robust options and are working with manufacturers on a design which should restrict motor vehicles, but remains accessible

X.1

for disabled users and cyclists and importantly, can be removed quickly should emergency access be required.

9. Kent Highway Services are in the process of installing fixed restrictions together with connecting electricity supply to existing signage at each end of Pheasant Lane. Works are ready to be passed over to new contractor for implementation.
10. Kent County Council Highway Services has made the temporary order permanent, the order has come into effect since October 17th 2011. Permanent measures have been ordered to replace the temporary street furniture; these measures are due to be installed by the end of October 2011.

Parking Issues Tudor Avenue

11. It has been reported to previous meetings of this Board that KHS had been passed a petition with 54 signatures from the residents of Tudor Avenue, Maidstone requesting parking restrictions be implemented to deal with commuter parking that the residents feel is causing potential road safety problems.
12. It was proposed that KHS would advertise a Traffic Regulation Order giving notice of the intention to install double yellow lines at certain points along Tudor Avenue to improve road safety on the 26th January 2011. However, due to staff sickness and shortages it has not been possible to progress this Order and KHS are now procuring additional resources and expertise to overcome this problem. Once these resources are in place this Order will be progressed as a priority.
13. Kent Highway Services are now in a position to progress the Order. However, due to limited funding being allocated to safety related parking restrictions, officers are batching requests with the view to advertise different locations within Maidstone under a single Traffic Order. This is to provide efficiency and a more cost effective way of managing funds.
14. Due to the timescales, Cllr Chittenden has agreed to fund the said restrictions with additional measures through his Member Highway Fund. The said Traffic Order is to be advertised in November 2011 together with other locations through Cllr Chittenden's MHF process.

Sutton Road Service Road

15. KHS received a petition supported by 55 out of the 66 residents in Sutton Road service road raising concerns over the volume and speed of traffic using the service road to avoid the traffic signals on the A274. At the last meeting of this board it was reported that the local County Councillor, if supported by local residents, would look to use their Member Highway Fund to turn the service road into a cul-de-sac by the use of removable bollards at one end of the road.
16. KHS have consulted the residents of Sutton Road service road seeking their views on whether they support a formal closure and if so at which location. The consultation closes on the 12th April and a verbal update of the results will be given at the meeting.
17. Due to the results of the consultation, Cllr Cooke has chosen not to progress with the works through the Member Highway Fund process at the present time.

The withdrawal of the Arriva 101 Service from Bus Stops at Cobtree Golf Course and Salisbury Road, Kits Coty

18. It has been previously reported to this Board that a petition had been received calling for the reinstatement of the 101 bus service to the Cobtree Golf Course Bus Stop and a report was submitted proposing a number of options and seeking Members views.
19. It was agreed that further quotes be obtained for Option 2 in an attempt to reduce the costs of this preferred option. These quotes were returned to KHS and passed to Paul Carter, the local County Councillor, for consideration for funding. Cllr Carter has now approved funding for the scheme from his Member Highway Fund budget and the works are now being programmed with the contractor.

Postley Road, Maidstone

20. A petition has been received from the residents of Postley Road, Maidstone which raises concern over the dangerous and increasingly unacceptable use of the road by buses including speeding. Kent Highway Services have met with the lead petitioner and are investigating the issues raised by the petitioners. KHS are currently arranging a meeting with the local Councillors to discuss a way forward with respect to this petition.
21. The above meeting was held between local Councillors and it has been agreed that Postley Road will be proposed as part of the Speed Reduction pilot project with measures to be implemented to reduce vehicular speed on Postley Road.

Boxley Road and Beechen Bank Road

22. At the a previous meeting of this Board a petition was received requesting a reduction in the speed limit along Boxley Road and Beechen Bank Road. KHS commissioned a speed survey and have now received the results from its consultants and have reviewed the personal injury crash records along Boxley & Beechen Bank Road. KHS are currently arranging a meeting with the local Councillors and Parish Council to discuss a way forward with respect to this petition.
23. A meeting was held between Officers, Boxley Parish Council and Cllr Carter regarding speed limits along the above-mentioned roads. The results of the surveys showed that the existing speed limit could be reduced and Boxley Parish Council are liaising with officers regarding funding for these works.

Footpath along Lenham Road to Sports Field, Kingswood

24. At the last meeting of this board a petition was submitted by Broomfield & Kingswood Parish Council signed by 101 residents requesting a footpath be constructed along the Lenham Road, Kingswood to ensure the safety and well being of pedestrians accessing the Sports Field and its facilities.
25. Early investigations revealed that third party land not in the control of the Highway Authority will be required to construct the footway and excluding land costs the footway could cost in the region of £40,000 to £50,000. KHS have written to the land owners in control of the land to ascertain, if funding was available, whether they would be willing to agree in principle to transfer the land to KHS.
26. Kent Highway Services decided to undertake a formal consultation with residents of Lenham Road seeking views of dedicating private land into the publicly maintainable highway in order to safely install the new footway. Due to objections from residents

subsequent to the consultation, Kent Highway Services are not pursuing with the scheme at the present time.

27. This scheme is being progressed by Cllr Whittle in partnership with Broomfield and Kingswood Parish Council through the Member Highway Fund process. Cllr Whittle has agreed to fund designs costs and which will enable the Parish Council to decide whether to fund the works.

Speed limit Reduction - Charlton Lane, West Farleigh

28. At the previous meeting of this Board, the Chairman of West Farleigh Parish Council, presented a petition requesting a reduction in the speed limit on Charlton Lane, West Farleigh from 60 mph to 30 mph for the safety and protection of all residents and road users.
29. At the meeting it was confirmed that Cllr Stockell had agreed to fund the cost of the reduced speed limit in Charlton Lane from her Member Highway Fund and that KCC will be proceeding on that basis. A Traffic Regulation Order to reduce the speed limit will be produced and future updates will be included in the Member Highway Fund Update report.

Speed Limit Reduction in Sheephurst Lane, Collier Street

30. Kent Highway Services have received a petition from residents of Sheephurst Lane requesting that the current speed limit is reduced. The petition has 68 signatures supporting a change in the existing speed limit. There have been no reported personal injury crashes over the last 3 year period as a resultant of speeding.
31. Kent Highway Services will investigate the request from the lead petitioner with the view to provide an update at the next Joint Transportation Board.
32. The safety record along this route has been investigated. The analysis of the personal injury crashes on Sheephurst Lane does not demonstrate that a lower speed limit would provide a quantifiable crash saving and does not meet with the intervention level set by the County Council therefore, funding would not be available via the Casualty Reduction Programme. KHS will discuss these findings with the local Member to see whether any alternative measures could be provided via the Member Highway Fund.

New Petitions

Speed Limit Reduction in Green Lane, Collier Street

33. Kent County Council Highway Services has received a petition from residents of Green Lane Cottages, Green Lane, requesting that the current speed limit is reduced. The petition has 7 signatures supporting a change in the existing speed limit. There have been no reported personal injury crashes over the last 3 year period as a resultant of speeding.
34. Kent Highway Services will investigate the request from the lead petitioner with the view to provide an update at the next Joint Transportation Board.

Update on 20MPH Zones in Maidstone

- 35.** Kent County Council Highway Services are in the process of installing the said measures at locations previously agreed. Surveys are currently being undertaken onsite identifying the existing vehicle speeds in the vicinity of the schools.
- 36.** Designs are currently being drafted at selected locations with the view to install the measures in 2012. Kent County Council will be working with Schools trying to reduce any congestion during the construction phase.
- 37.** County Councillors responsible for the works will be consulted on initial designs once made available.

Accountable Officer: Andy Corcoran 01233 648302

Winter Damage Repairs – Find & Fix Completion Update

A report by the Director of Kent County Council Highways & Transportation to the Joint Transportation Board.

1.1 Summary

- 1.1.1 The 'find and fix' works programme commenced in May 2011 and was completed on 31 August 2011, following the award of contract to Mason Civil Engineering for the Maidstone area.
- 1.1.2 With the programme this year we gave greater control to the Maidstone Highways Team for identification and prioritising works. This has enabled the teams to target specific areas and drive productivity.
- 1.1.3 During the Period from 1st May until 31 August; I am able to report that 115 roads were completed. This has been broken down to 538 potholes and 9,544m2 of patching for the Maidstone area. The completed locations are listed below for the Boards information.

Street Name	Parish	Potholes Repaired	Area of Patching
AMSBURY ROAD	COXHEATH	0	169.69
BELL LANE	BOXLEY	12	32.21

MAIDSTONE

JOINT TRANSPORTATION BOARD

02 November 2011

A report by the Director of Kent County Council Highways & Transportation to the Joint Transportation Board.

Subject: Kent County Council Highways & Transportation Restructure.

Summary: This report updates members on the current re-structure of Kent Highway Services & Transportation.

1 NEW STAFFING ARRANGEMENTS IN KENT HIGHWAYS AND TRANSPORTATION

As a part of the County Council's strategy, Bold Steps for Kent, and wider national legislation and budget reductions, there have been changes across Kent County Council. This includes the work done in Kent Highway Services now called Kent Highways and Transportation (KH&T). This report sets out recent changes following a restructure of the department and highlights how KH&T will continue to focus on working with communities and ensure proper engagement with Members, Councillors, Parishes and local people.

1.1 Introduction

- 1.1.1 As a part of the County Council's strategy, Bold Steps for Kent, and wider national legislation and budget reductions, there have been changes across Kent County Council. This includes the work done in Kent Highway Services now called Kent Highways and Transportation (KH&T). This report sets out recent changes following a restructure of the department and highlights how KH&T will continue to focus on working with communities and ensure proper engagement with Members, Councillors, Parishes and local people.
- 1.1.2 As a part of the county council's strategy, Bold Steps for Kent, and wider legislation around community engagement, the way KCC works is changing with an aim to improve all the services provided by the council and to enhance the service offered to communities in Kent.
- 1.1.3 Kent Highways and Transportation (KH&T) – formerly called Kent Highway Services - will continue to focus on working with communities and are committed to proper engagement with Members, district councils, parishes and local people. In order to strengthen this area, meet the budget savings requirements and bring

about efficiencies and effectiveness, changes have been made to the staffing of the department. This follows a two phased restructuring process.

1.2 New structure

- 1.2.1 Prior to the restructure each district had allocated contacts within the Highway Operations teams, namely Highway Inspectors and Community Liaison Officers. From 1 July the new structure came into force and there are no longer community Liaison Officers. Instead we now have **Highway Stewards** and statutory **Highway Inspectors**. The Highway Stewards have been allocated to a specific area and they will deal with customer service enquiries, Member, parish and community contact. They have been empowered to carry out small maintenance jobs on site to rectify minor issues such as clearing round a sign / clearing a gully grate. In addition they will identify specific jobs that are deemed necessary for their area, which will be processed through our Highway Management Centre (HMC) at Aylesford. The process of the jobs can be prioritised and programmed in a timely manner with the designated team in the HMC, allowing the public facing staff to spend more time in the area, dealing with service requests. They will undertake parish visits, as agreed locally and will be working out in the community on a daily basis. The Parishes / Members and the general public should still be report defects via the web site or our contact centre to ensure that they are recorded and entered into our system to be processed.
- 1.2.2 Highway Inspectors will continue to carry out statutory inspections and will highlight defects and ensure that these are repaired within the prescribed time periods. Inspectors and stewards will be supported by an efficient HMC which is situated on the first floor of our Aylesford Highway Depot.
- 1.2.3 A list of key staff for this district is attached at **Appendix 1**.

1.3 Conclusion and Recommendation

- 1.3.1 KH&T is committed to providing a high quality service to the communities in Kent. The recent changes will ensure that, despite budget reductions and other challenges, KH&T will keep a focus on community engagement. Members of this Joint Transportation Board are asked to note this report.

1.4 Legal Implications

- 1.4.1 Not applicable.

1.5 Financial and Value for Money Considerations

- 1.5.1 Not applicable.

1.6 Risk Assessment

- 1.6.1 Not applicable.

Maidstone Winter Service Handbook

An information report by the Director of Kent County Council Highways & Transportation to the Joint Transportation Board.

Please note data sensitive information has been removed from this document.

Contents

1. **KCC policy statement and plan**

This will be the document approved by Environment Highways and Waste policy Overview Committee.

2. **Winter service procedure**

During normal working hours the District Manager will deal with all winter service matters, including managing local action in snow/ice emergencies. The Duty Officer (DO) will assume control out of hours. District Manager (DM) will also ensure that adequate support is provided to DO out of hours in emergency situations and that a suitable handover briefing takes place at the start and end of the normal working day. See Appendix 1 for personnel roles in winter service.

- 2.1 The Duty Officer will commence duty at 17.00 hours on Monday until 09.00 the following Monday and will be responsible for all the actions below. Assistance will be given but the ultimate responsibility will be with the DO.
- 2.2 Immediately after 1400 hours daily the weather forecast/information will be available on email/telephone on 01622-XXXXXX. (Update forecasts may be available at 21.30 hours each day, or when issued.)
- 2.3 **Instructing and recording actions** –The DO will record action taken on the Winter Service action sheet (attached as Appendix 2). Email to Enterprise; this will instruct them of the action that is needed. Provide as much detail as possible on the form. In the event that additional actions are needed, confirm by phone with the Enterprise Duty Supervisor. If, in the opinion of the duty officer, or on a site check, different action is taken to that recommended by the Winter Duty Officer (WDO), please inform the WDO. Enterprise will be informed directly of the main action. Duty Officer will decide and instruct on any other action needed.

The winter service action sheet should also be copied by email to the relevant Priority Response Officer, District Manager and Highway Manager.

The PRO will ensure that a WAMS order is raised as soon as practicable. The PRO will save the form in the designated folder on the KCC IT system.

- 2.4 At weekends/bank holidays the winter forecast/action will be sent out at 14.00 hours or soon thereafter. In the event that a forecast is not received the DO will phone the KCC forecast on 01622-XXXXXX to receive forecast and instructions.
- 2.5 If there are any changes, i.e. rain, contact the Enterprise Winter Duty Supervisor as soon as possible to cancel/ amend the instruction and inform the WDO
- 2.5 A snow/ice emergency can only be declared by a Highway Manager (HM). In the event of a snow/ice emergency being declared by the HM, strategic action should be considered, i.e. opening an Emergency Room and calling in other staff etc.
- 2.6 In a declared snow emergency the priorities are primary routes, secondary routes, recorded snow clearance priorities and finally anything reported by the public etc. All public reports are to be logged on the agreed spreadsheet (Appendix 3) This will usually be completed by the community liaison team who will also ensure that these enquiries are entered into the WAMS system and followed up accordingly.

8. **Snow clearance priorities, with details by town/area in priority order**

In the event of snow or ice, Maidstone will bring into effect its Local Winter Service Plan with staffing levels appropriate to the emergency. Pre-planned salting or emergency salting on precautionary salting routes shall be carried out as required and in accordance with the Winter Service Plan.

Highway Managers shall manage the response for dealing with ice / snow on links to urban centres, villages and hamlets beyond the primary or secondary precautionary salting route network, with priority given to bus routes. Consideration will be given to links to schools (in term time), stations, medical centres, doctors surgeries, old peoples homes, cemeteries, crematoria and industrial, commercial and shopping centres. Below is the Maidstone priority list of key areas that will be considered during an emergency.

Pavements

During snow days arrangements will be made to clear pavements in key town centre and other areas as identified and agreed by district council and KCC staff. The prioritised pavements/footways are identified in this document.

Detling Hill:

Note: Salting Instruction:- When 10g instructed for Primary Routes **Detling Hill** to be spread at **20g**.

A229 Royal Engineers Road access to Bluebell Hill:

A20 Ashford Road Lenham to Charing:

A229 Linton Hill:

A274 Sutton Valence Hill:

11. Salt bin locations / Member Fund Salt Bins

See Appendix A

12. Local agreements/actions with Districts/others

Maidstone Borough Council have approx 100 staff that could be available if a snow emergency declared and Maidstone are unable to carryout their normal business. Plant that they have includes a small gritter / JCB / access to tractors & trailers / various 4x4 vehicles. Maidstone is also able to store a quantity of salt / sand at their Bircholt Depot at Parkwood. If Maidstone Borough do not suspend their service and there is snow / ice clearing to be undertaken, then KCC will provide cover for this period – working to the priority list or as directed by the District Manager.

A plan has been drawn up for Maidstone Town Centre footways listing the priorities and the areas Maidstone Borough Council will cover in the event of a snow emergency. In addition a number of the key shopping areas outside the town centre may be covered by Maidstone Borough (Maidstone looking at agreements). At least one footway to be provided in each road, if resources permit footways may be cleared simultaneously. KCC to provide Sand / Salt mix for footways. **Snow Clearance Plan – Priority List.**

Snow Clearance Plan / Priorities for Maidstone

Priority	Road_Name	Information
1	Gabriel's Hill	Clear both sides
2	High Street	Clear both sides of road up to ramp to Maidstone House, single side of King Street thereafter
3	Bank Street	Clear all
4	Week Street	Clear all
5	County Road	Clear footpath
5	Sessions Square	Clear all to link Week St, KCC & County Road
5	Sessions Square	Clear footpath to link Sessions Sq and County Rd
6	Sandling Road	Clear route from roundabout past Post Office, M. East Station to entrance of Brenchley Gardens
6	Sandling Road / Station Road	Clear route from roundabout past Post Office, M. East Station to entrance of Brenchley Gardens
7	Union Street	Clear both sides up to Wheeler St C.P. access. South side thereafter up to Sittingbourne Road
8	Tonbridge Road	Clear route from M. West Station across Bridge (not inc stairs) to connect with crossing to High St
8	Tonbridge Road / Bridge	Clear route from M. West Station across Bridge (not inc stairs) to connect with crossing to High St
9	Barker Road	Clear route to connect the Market to the Bridge
10	Palace Avenue	Clear path from Archbishops Palace to Lower Stone Street. South side past Police Station
11	Bishops Way	Clear south side from Bridge to crossings at Mill Street

- **Penenden Heath – Boxley Road / Sandling Lane.**
- **High Level Bridges – Pedestrian Bridges etc**
- **Subways – Maidstone Town Centre**

Downswood - Hand crew to be deployed to hand salt junction areas as per local action plan.

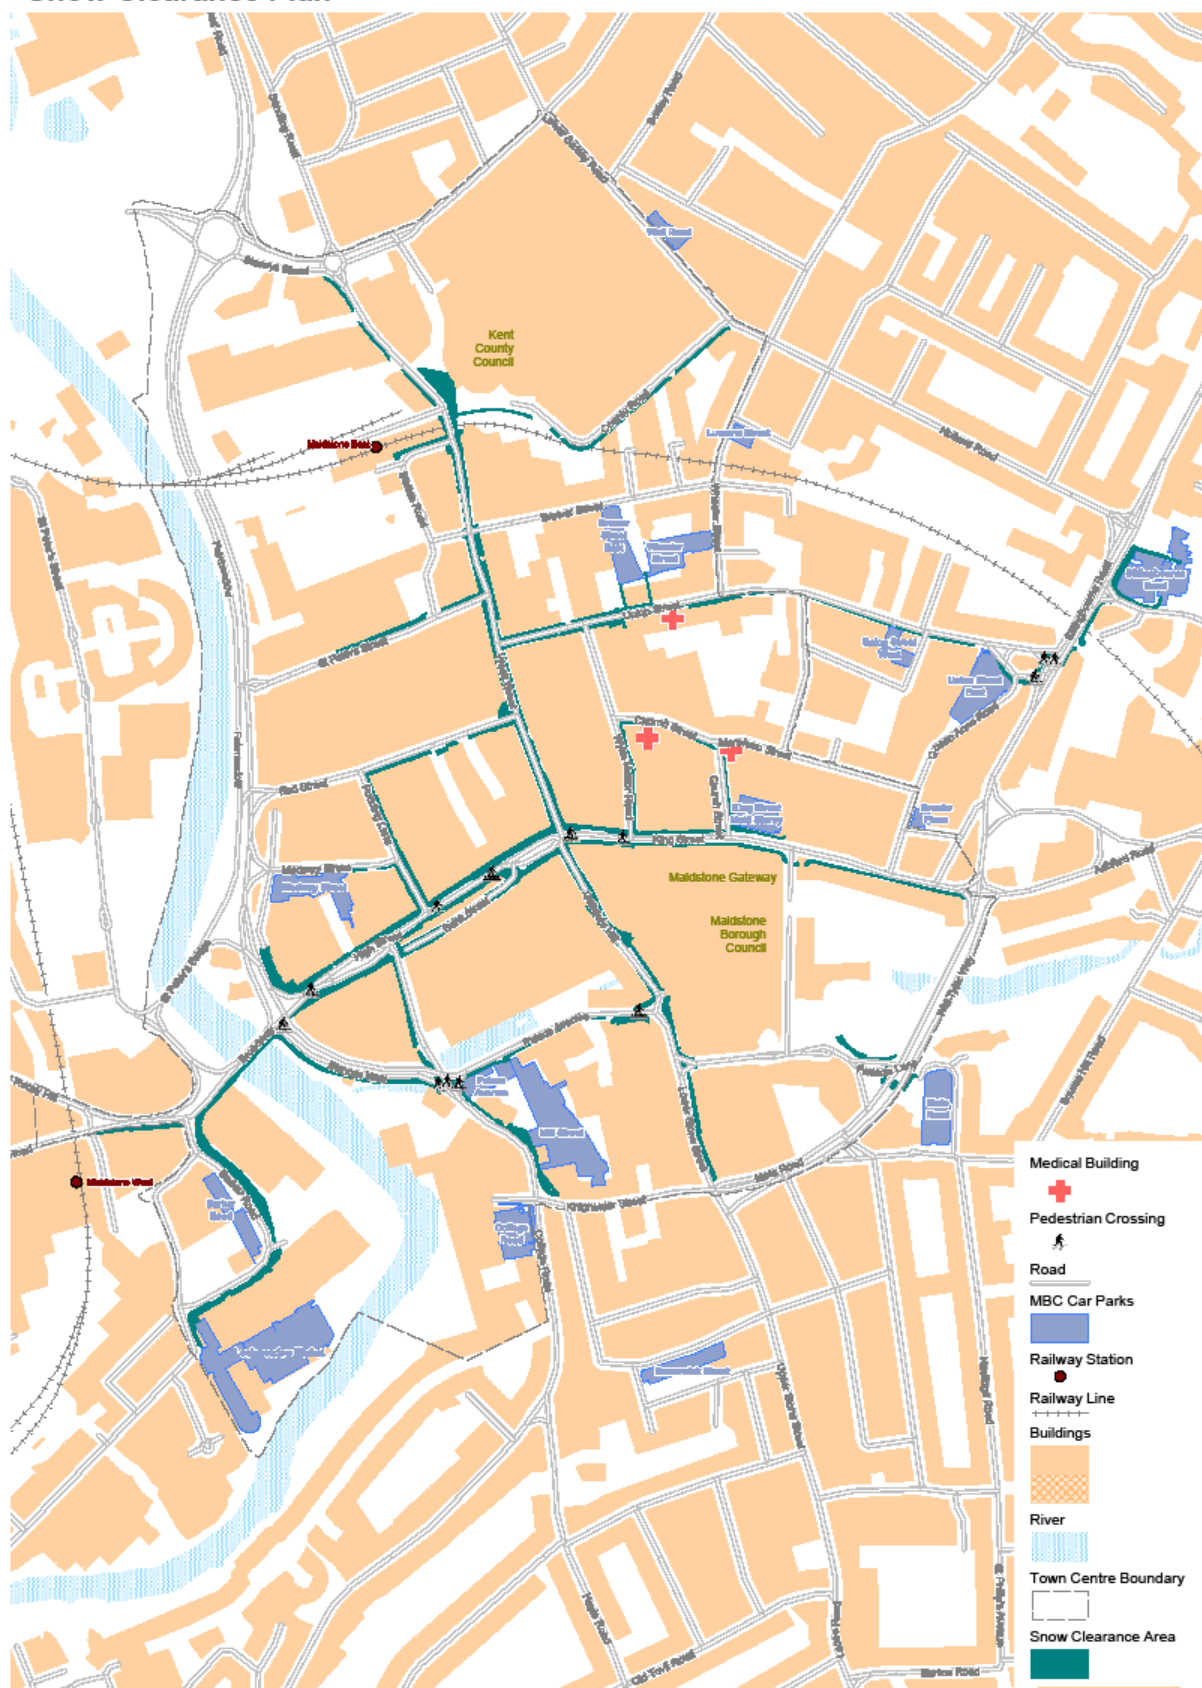

Snow Clearance Plan Priority List

Maidstone Town Centre

Snow Clearance Plan

Maidstone Town Centre

Allington shops – Appledore court – Hand salting of Highway area only.

Prepared By Richard Emmett
September 2011

Once KCC have dealt with their priorities and resources permits, then consideration will be given to ploughing / gritting of key park and ride facilities. Details to be agreed by District Manager / Maidstone Borough Council / Winter Service Manager.

13. **Emergency local control centres**

Aylesford Highway Depot – access as required.

Coldharbour Depot – Little Preston, Aylesford – Limited access – no computer access – limited space

Maidstone Borough Council Depot – Bircholt Road, Parkwood, Maidstone. Office space for key staff.

Invicta House – County Hall, Maidstone – access as required.

Appendix 1

Personnel Roles

Duty Officer (DO), is the Duty Officer who assumes responsibility for winter service out of hours and is usually the same DO that would deal with all out of hours calls.

Winter Duty Officer (WDO) is the KCC officer who receives weather forecasts and decides the appropriate salting actions.

Enterprise Winter Duty Supervisor (EWDS) is the Enterprise officer who arranges the Enterprise out of hours WS actions

Highway Manager (HM) will declare a snow/ice emergency when appropriate

District Managers will co-ordinate action during normal office hours in conjunction with the WDO and where necessary the relevant HM

JOINT TRANSPORTATION BOARD

02 November 2011

A report by the Director of Kent County Council Highways & Transportation to the Joint Transportation Board.

Subject: Highway Works Programme 2011/12

Summary: This report updates Members on the identified schemes approved for construction in 2011/12

To Recommend: This report is for Members information.

Introduction

1. This report is an update on that made to previous meetings of the board and summarises the identified schemes that have been programmed for construction by Kent County Council in 2011/12

Highway Maintenance Schemes

Footway and Carriageway Schemes – see Appendix A1
Street Lighting – see Appendix A2

Other Works

Bridge Works - see Appendix B1
Drainage – see Appendix B2
Major Capital Projects – see Appendix B3
Member Highway Fund – see Appendix B4

Conclusion

2. This report is for Members information.

Footway Schemes		
Road Name	Parish	Current Status
Spot Lane	Bearsted	Footway Scheme on site
Lower Boxley Road,	Maidstone	Footway to be programmed

Appendix A2 – Street Lighting

Reactive maintenance is progressing as usual. Structural testing is also underway and the result of the testing will be used to help produce a programme of work for street lighting replacements for the next financial year 2012-13.

A number of schemes have already been completed this year, details of which are below:

Location	Description	Budget	Status
Vinters Park Estate	replacement of 65 columns and lanterns	£71,056	Completed June
Barker Road	Column and lantern replacement and additional lantern upgrades	£30,606	Completed August
Fairmeadow Subway	Subway refurbishment including lighting units	£30,040	Completed August

Appendix B – Other Works

Appendix B1 – Bridge Works

Bridge Management Overview - Works Programme 2011-2012					
Where any of these pose particular traffic management or disruption issues they will be separately reported.					
District	Parish	Number & Name	Description of Works	Current Status	Comments
Maidstone	Boughton Monchelsea	31A Hertsfield South	Refurbishment	Design	2012/13
Maidstone	Boughton Monchelsea	35A Hertsfield North	Refurbishment	Design	2012/13

Appendix B2 – Drainage

Gully Cleansing Schedule

Drainage and Flooding Update

Cleansing of gullies on strategic and locally important roads is continuing with a view to completing the programme of work by the end of December 2011. In addition, joint cleansing work is also continuing with Maidstone Borough Council as per their street cleansing programme. Details of the roads programmed for cleansing as part of both programmes are attached.

Drainage Works Update

In addition to a number of small repair works, the following larger works have been programmed:

Location	Description	Budget	Status
Hunton Hill	Installation of pipework and 4 gullies to remove spring and surface water from the carriageway and channel into the ditch at the bottom of the hill	£12,000	Works to be undertaken week commencing 24 th October
Chartway Street	Installation of gully and pipework to remove water collecting in the carriageway outside Murray Chapman	£3,500	Works to be undertaken on the weekend of the 29 th /30 th October
Eastwood Road	Installation of 4 gullies to remove water from the carriageway	£9,000	Road closure required – awaiting confirmation of programme date

Maidstone Gully Cleansing Programme September – December 2011
