28. QUESTION AND ANSWER SESSION FOR MEMBERS OF THE PUBLIC

Question to the Leader of the Council

Mr Richard Wadey asked the following question of the Leader of the Council:-

Has the Council considered the case for setting out policies to resist inappropriate development of residential gardens, as requested in paragraph 53 of the new National Planning Policy Framework? And, if so, what conclusion has it reached?

The Leader of the Council responded to the question.

Councillor Mrs Wilson, the Leader of the Opposition, and Councillor Mrs Gooch, the Leader of the Independent Group, then responded to the question.

Mr Richard Wadey asked the following supplementary question of the Leader of the Council:-

Do you yet have a clear concept how the word inappropriate should be construed or is that still to be considered?

The Leader of the Council responded to the question.

Councillor Mrs Wilson, the Leader of the Opposition, and Councillor Mrs Gooch, the Leader of the Independent Group, then responded to the question.

29. QUESTIONS FROM MEMBERS OF THE COUNCIL

Question to the Leader of the Council

Councillor Mrs Wilson asked the following question of the Leader of the Council:-

In view of the Council's priority of prosperity and the job creation related to it, it was pleasing to read in the Conservative Election Special that 2000 jobs had been created since the target of 10,000 jobs by 2026 had been set. This is to be applauded. However, since the Cabinet has not yet formally agreed to this job creation target for the Local Development Framework core strategy, and to avoid any possible ambiguity or misunderstanding, would the Cabinet Member for Economic and Commercial Development please confirm the precise period covered, start date and end date, for which this calculation was made; detail the 2000 jobs created by company, general location in the Borough, number of jobs and whether full or part-time – it is acceptable if this part of the question is handed out to Councillors at the meeting as a paper copy rather than reading them all out if preferred – and finally state the number of jobs lost in the same period so that Councillors know the net gain for the Borough.

The Leader of the Council responded to the question.

Councillor Mrs Wilson asked the following supplementary question of the Leader of the Council:-

What is the period covered and precisely what jobs have been included and those that have not and does it include those that are transferred from one centre to another.

The Leader of the Council responded to the question.

Question to the Cabinet Member for Community and Leisure Services

Councillor Chittenden asked the following question of the Cabinet Member for Community and Leisure Services:-

Liberal Democrats fully recognise that as the County Town of Kent money should be allocated for events relating to the Olympic torch passing through Maidstone, and of course there is an overnight stop here. However, the cost for Maidstone is the highest in Kent by far with a budget of £210,000. Is this money coming entirely from the Borough Council Budget or have contributions to the budget been made by other donors and if so how much?

The Cabinet Member for Community and Leisure Services responded to the question.

30. RECORD OF RECOMMENDATION OF THE LEADER OF THE COUNCIL - LEADER'S REPORT ON CURRENT ISSUES

It was moved by Councillor Garland, seconded by Councillor Mrs Wilson, that his recommendation on the Leader's Report on Current Issues be approved.

Councillor Parvin, the Vice-Chairman of the Standards Committee, advised the Council that, in accordance with Article 15.02 (a) of the Constitution, the Standards Committee had evaluated the proposed amendments to the Council Procedure Rule relating to the Leader's Report on Current Issues and, although having some concerns about the details (for example, calling the Rule "Leader's Report on Current Issues"), in principle, believed that their implementation would help to ensure that the aims and principles of the Constitution were given full effect by providing an opportunity for all Members of the Council to have greater involvement in Council meetings.

RESOLVED: That Procedure Rule 17 in the Council Procedure Rules in the Constitution be deleted and the following inserted:-

"Leader's Report on Current Issues"

17.1 At every Ordinary Meeting of the Council (except the Annual Meeting) after the Question and Answer session dealing with questions by Members, the Leader shall report to the Council on current issues.

17.2 The Leaders of every other Group shall then have the right to respond to the issues raised.

17.3 Each Group Leader may speak for up to five minutes.

17.4 After the Leader and the other Group Leaders have spoken the Mayor will open the item to questions from Council Members for a period of fifteen minutes.

17.5 Questions to be asked by Council Members as set out in 17.4 above will be limited to those issues raised by the Leader and the other Group Leaders in their speeches. Questions will be answered as directed by the questioner and will not require a response from all Group Leaders. The Mayor will be the sole determinant of whether the question relates to the issues raised in these speeches.

31. CURRENT ISSUES - REPORT OF THE LEADER OF THE COUNCIL AND RESPONSE OF THE GROUP LEADERS

The Leader of the Council submitted his report on current issues.

After the Leader of the Council had submitted his report, Councillor Mrs Wilson, the Leader of the Opposition, and Councillor Mrs Gooch, the Leader of the Independent Group, responded to the issues raised.

Several questions were asked by Members of the Council of the Leader of the Council, the Leader of the Opposition and the Leader of the Independent Group on the issues raised by them in their speeches.
