Notice has been given pursuant to Council Procedure Rule 11 of the intention to present a petition in the following terms:

We, the undersigned petitioners, and parents/governors at St Margaret's Collier Street school do hereby petition Kent County Council to install adequate signage and road traffic calming measures to warn drivers of the presence of children crossing during school hours.

Parents, staff and governors are concerned about the number of speeding vehicles along Collier Street (B2612) and the junction with Green Lane, where the school is situated. There have been several near misses involving young children crossing the road to and from the car park during school hours. Adequate signage, reducing the speed limit, a zebra crossing and other appropriate traffic calming measures will help to address these issues and prevent a serious road traffic accident involving young children.
