audited. He advised that the audited accounts would return to the Committee in January, once they had been to the Cobtree trustees. The Committee was informed that King and Taylor had been appointed as auditors.

It was highlighted that there had been net increase in profits, including capital. However with the operational costs taken out there was a deficit of £42,000 which was in line with the forecast.

In response to member's questions it was explained that the uptake of golf was in decline and the Council were looking at new ways to manage the Golf Course. A range of solutions would be sought as part of the tendering process in 2016.

91. REPORT OF HEAD OF COMMERCIAL AND ECONOMIC DEVELOPMENT - COBTREE ESTATE RISK MANAGEMENT UPDATE

Joanna Joyce, Cobtree Officer introduced the Cobtree Estate Risk Management Update Report. It was explained that the report covered management of risk for the estate as a whole and that the risks relating to the Golf Course would be discussed in a separate report.

The Committee considered the introduction of car parking charges (due to be implemented on 5 October 2015) and the impact that this would have on visitor numbers. The critical success factor of risk 3h 'Visitor numbers are stabilised and back to current amount within 3 years' as set out in the Risk Assessment document, attached as Appendix 1 to the Cobtree Manor Estate Risk Management Annual Review 2015 was considered to be too cautious. Members felt that this should be monitored on a regular basis and reviewed.

RESOLVED:

1. That the Risk Assessment document, attached as Appendix 1 to the Cobtree Manor Estate Risk Management Annual Review 2015, be endorsed; and
2. That the critical success factor of risk 3h 'Visitor numbers are stabilised and back to current amount within 3 years' as set out in the Risk Assessment document, attached as Appendix 1 to the Cobtree Manor Estate Risk Management Annual Review 2015, be reviewed at regular intervals over the course of the next two years.

Joanna Joyce, Cobtree Officer introduced the Cobtree Estate Progress Report. The report highlighted the completion of the new visitor centre

and the installation of the final sculpture which brought the Cobtree Masterplan to a conclusion.

In response to member's questions it was explained that the current project had taken five years. The year ahead was described as a 'consolidation year', concentrating on delivering what had been promised. The future would involve plans to make the Cobtree Estate more cohesive.

It was clarified that the income from parking charges would be ring-fenced to the park and would cover the cost of maintaining the play equipment.
