## 8. Petitions

Notice has been given pursuant to Council Procedure Rule 12 of the intention to present a petition in the following terms:

### Platts Heath Safe Transport Scheme

We, the undersigned, call upon Kent County Council to produce, with local community participation, a transport plan to make our village safe and sustainable for the future.

We request:

- A maximum speed limit of 20mph in School Lane
- 20mph outside the school in Headcorn Road
- Investigations to take place to identify methods to slow down traffic entering from the north and south on Headcorn Road
- The 30mph speed limit in Lenham Road to be extended further south as outlined in a previous report sent to Maidstone Joint Transportation Board
- Improved and additional signage and road markings

We ask that Kent County Council fully consider these requests and produce a plan that works and enables the community to have a safer environment for all residents. Consultation and input must include the School and all local residents and plans implemented at the Council's earliest opportunity.
