Dear Sir / Madam

Re Public Notice For

RAMBLING MAIN FAIR MOOR PARK 22-24 JULY

I write to appeal as a local resident who lives
at 137 SOUTH PARK ROAD MAIDSTONE MEIG TAV

- 1) I object to the hours especially in the glamping area
to 1 AM. This area is in Long Valley and was
noisy last year
- 2) No concessions received for disruption to peace and
tranquility in our garden for the weekend except we
could by tickets @ 160.00 what a joke
- 3) Concern for wildlife in park
- 4) Several breaches of Health & Safety broken last year
Took 8 hours for a water sewer pipe being discharged
over a public foot path to be repaired - Also Long
Valley public footpaths being blocked off by metal
fences No notification given for this last year
- 5) Vehicles being driven along a public footpath from
Main Area to Glamping not cordoned off why can't
Glamping be in main field to open and leave main park
to public more park is not a road concert venue
NO FARM & DETRIMENT CAN CAUSE FOR THIS
