- It is recommended that condition 3 is amended to read:

*When the land ceases to be occupied by those named in **condition 2** above the use hereby permitted shall cease and all caravans, structures, materials and equipment brought onto the land in connection with the use shall be removed. Within 3 months of that time the land shall be restored to its condition before the use commenced.*

Reason: To safeguard the character and appearance of the countryside that falls within a Special Landscape Area.

My recommendation remains unchanged.
