

Item 13 Page 65 The Old Forge, Chartway Street, East Sutton, Kent

Reference number: 16/50037

KCC Ecological Advice Service:

Have reviewed the ecological information submitted with the planning application and are satisfied sufficient information has been submitted and that there is no requirement for specific species surveys to be carried out. As such raise no objection subject to measures to safeguard breeding birds, bats along with enhancements to increase wildlife diversity in and around the site.

Recommendation remains unchanged.
