Lenham Parish Council: **Raise no objections** and comments as follows:

*"In the light of:*

- 1. the presentation by 'Rogate' to the Lenham Parish Council planning Committee on 19<sup>th</sup> September and the amended drawings presented by them.*
- 2. the amended wording of the Committee report (19/9/18) in respect of Clause 6 recommendation 1 item 11 of the Heads of Terms LPC is happy to **withdraw** its objections to this application now proceeding – in fact we would now commend its acceptance by MBC planning on 27th.*

*The developer has in our opinion worked hard in the last 2 weeks to accommodate in a most professional manner, the 4 outstanding issues highlighted by the MBC planning Committee.*

*Item 2 above clears the other separate LPC issue with the original report."*

Cllrs J & T Sams

In light of Parish Council response, both Cllrs now wish to withdraw their objection to the application.
