

Performance Summary

This is the quarter 2 performance update on Maidstone Borough Council’s Strategic Plan 2015-20. It sets out how we are performing against Key Performance Indicators that directly contribute to the achievement of our priorities. Performance indicators are judged in two ways; firstly, whether an indicator has achieved the target set, known as PI status. Secondly, we assess whether performance has improved, been sustained or declined, compared to the same period in the previous year, known as direction.
