Sports Facilities and Playing Pitch Strategies - Approval

1. INTRODUCTION AND BACKGROUND

- 1.1 The National Planning Policy Framework requires local authorities to provide the social, recreational and cultural facilities and services the community needs (NPPF, paragraph 92). Planning policies and decisions should provide for new and improved sports venues, and also guard against the loss of facilities.
- 1.2 The Sports Facilities Strategy and the Playing Pitch Strategy form part of the Council's evidence base for the review of the Maidstone Borough Local Plan, and will inform development management decisions. They also provide the Council with an evidence base for future budgetary needs or grant funding applications.
- 1.3 The strategies have been prepared by consultants Ploszajski Lynch Consulting Limited, and developed in consultation with a cross-section of key stakeholders, including sports providers/users and governing bodies. They take account of spare capacity on sites, and examine rising or falling trends in demand for individual sporting activities. The data has helped to build a picture of the level of provision, looking at four key elements: the quantity, quality, accessibility and availability of Maidstone Borough's indoor and outdoor sports facilities and playing pitches.
- 1.4 A base date of mid-2016 is used to calculate the quantitative need for additional new facilities arising from the borough's population growth to 2031, as set out in the Maidstone Borough Local Plan. The mid-2016 data can be used as a base for future updates of the strategies, for example, to reflect growth beyond 2031 that may arise as a result of the review of the Local Plan. The strategies should also be regularly reviewed to reflect rising and falling trends in demand for sports facilities.
- 1.5 The strategies will be delivered by a variety of means and by a number of organisations that have contributed to their development. New and improved sports provision may be funded through CIL or S106 contributions from new development. It will also be important to consider alternative means of providing for the borough's needs, for example, a proportion of needs may be met through an upgrade or expansion of existing sites to extend play time, by providing for alternative secure access arrangements to schools to extend opening times, or by applying for grant funding that may be available for the delivery of new and improved facilities.
- 1.6 Reports were presented to this Committee on 10 July 2018 and to Heritage, Culture and Leisure Committee (HCL) on 4 September 2018, offering Members an early opportunity to consider the findings of the strategies. An oral update was given to this Committee on 11 September 2018 explaining, among other things, that the strategies had been well received by HCL Committee, and confirming arrangements for stakeholder consultation on the draft strategies. These technical evidence documents were brought to

the attention of the Committee because of potential budgetary implications for the Council, which will be dependent on the relevant Committees' decisions to implement (or otherwise) the actions and recommendations contained within the strategies. Consequently, this Committee referred the 10 July report to the 21 November 2018 Policy and Resources Committee, to consider capital budget allocations for sports provision. The reference was noted, and budgets will be considered following HCL Committee's completion of its review of sports provision in the borough.

- 1.7 Key stakeholder consultation, to ensure that the data included in the strategies was factually correct, commenced on 18 September for Members, and on 1 October for other stakeholders. Both consultations closed on 9 November 2018. Those consulted included:
 - Maidstone Borough Councillors and Parish Councils;
 - Maidstone Leisure Trust;
 - Local sports facilities providers;
 - Neighbouring local authorities;
 - Sport England, Kent Sport and the governing bodies of sport
 - Local sports clubs; and
 - Schools.
- 1.8 As previously agreed by this Committee, the representations submitted during the consultation, together with the consultants' responses and updates to the strategies, have been published. Links to the records of comments and actions are provided at background documents 1 and 2 of this report. The strategies (provided at Appendices 1 and 2) have been amended accordingly.

Updated quantitative needs for new sports facilities and sports pitches

1.10 There are several amendments to the qualitative assessment of sports facilities/pitches arising from the additional information provided during the stakeholder consultation. These include:

- Football grass pitches: the removal of Kent Police HQ, Shepway Green and The Maplesden Noakes School from the qualitative assessment, and the addition of Marden Playing Field.
- Cricket facilities: a change in the quality of Marden Cricket Club practice nets from poor to good.
- Tennis courts: Addition of Harrietsham Tennis Club; and improvements in the qualitative assessments for Freedom Leisure Maidstone and Marden tennis court.
- Outdoor bowls clubs: addition of Lenham Bowls Club.

1.11 There are also a number of wide-ranging changes to the action plans in each of the strategies. These cover issues, actions, lead and partner organisations, cost estimates, and priorities. The changes are fully set out in the records of comments and actions (background documents 1 and 2), but to illustrate the types of amendments made, examples include:

- Jubilee Playing Field, Staplehurst: additional issue/action/costs for a 3G football pitch.
- William Pitt Field, Lenham: additional issue/action/costs/lead/priority (high) for the possible relocation of pitches to a new site in Lenham, with delivery priority increased to high.
- Yalding Cricket Club: additional issue/action/costs for upgraded changing facilities and provision of practice nets.
- Staplehurst Tennis Club: additional issue/action/costs/lead/priority (high) for refurbishment of two courts and provision of two courts with floodlights.

1.12 The strategies have been updated as a result of the representations received, and the Committee's approval of the Sports Facilities Strategy and the Playing Pitch Strategy as part of the evidence base for the review of the Maidstone Borough Local Plan is sought (the strategies are provided at Appendices 1 and 2, and colour hard copies of the documents are available at The Link).

2. AVAILABLE OPTIONS

2.1 Option A: The Committee could decide not to approve the Sports Facilities and Playing Pitch Strategies as part of the Council's evidence base. The risks associated with Option A at this point are low, but these will increase over time as the review of the Maidstone Borough Local Plan progresses through its preparation and consultation stages to examination, when the Inspector will consider whether the evidence supporting the local plan is adequate and up-to-date. Further, Option A does not provide the Council with an evidence base for future budgetary needs or grant funding applications.

- 2.2 Option B: The Committee could decide to approve the Sports Facilities and Playing Pitch Strategies as part of the Council's evidence base.
-

3. PREFERRED OPTION AND REASONS FOR RECOMMENDATIONS

- 3.1 Option B is the preferred Option. The Sports Facilities and Playing Pitch Strategies provide a sound up-to-date evidence base to support the review of the Maidstone Borough Local Plan. The strategies also provide the Council with an evidence base for future budgetary needs or grant funding applications.
-

4. RISK

- 4.1 The risks associated with this proposal, including the risks if the Council does not act as recommended, have been considered in line with the Council's Risk Management Framework. That consideration is shown in this report at paragraph 2.1. Officers are satisfied that the risks associated are within the Council's risk appetite and will be managed as per the Policy.

5. CONSULTATION RESULTS AND PREVIOUS COMMITTEE FEEDBACK

- 5.1 The key stakeholders listed in paragraph 1.7 have contributed to the preparation of the Sports Facilities and Playing Pitch Strategies, and were consulted on the penultimate iteration of the strategies to ensure the data collected was factually correct and up-to-date. Links to the results of the consultation are provided as background documents 1 and 2, and the consequential amendments to the strategies are set out in the report.
-

6. NEXT STEPS: COMMUNICATION AND IMPLEMENTATION OF THE DECISION

- 6.1 If the recommendation is agreed, the strategies will inform the review of the Maidstone Borough Local Plan. The strategies have been published on the Council's website, pending the decision of this Committee.
