- 3.1 There are no matters for decision in this report. The Committee is asked to note the contents but may choose to take further action depending on the matters reported here.

4. PREFERRED OPTION AND REASONS FOR RECOMMENDATIONS

- 4.1 In considering the current position on the Revenue budget, the Capital Programme and KPIs at the end of September 2019, the Committee can choose to note this information or could choose to take further action.
- 4.2 The Committee is requested to note the content of the report and agree on any necessary action to be taken in relation to the budget position and/or the KPIs position.

5. RISK

- 5.1 This report is presented for information only and has no direct risk management implications.
- 5.2 The Council has produced a balanced budget for both revenue and capital income and expenditure for 2019/20. The budget is set against a backdrop of limited resources and a difficult economic climate. Regular and comprehensive monitoring of the type included in this report ensures early warning of significant issues that may place the Council at financial risk. This

gives the Committee the best opportunity to take actions to mitigate such risks.

6. CONSULTATION RESULTS AND PREVIOUS COMMITTEE FEEDBACK

6.1 The KPIs update ("Performance Monitoring") is reported to service committees quarterly: Communities, Housing & Environment Committee; Economic Regeneration & Leisure Committee; and the Strategic Planning & Infrastructure Committee. Each committee will receive a report on the relevant priority action areas. The report is also presented to the Policy & Resources Committee, reporting on the priority areas of "A Thriving Place", "Safe, Clean and Green", "Homes and Communities" and "Embracing Growth and Enabling Infrastructure".

7. NEXT STEPS: COMMUNICATION AND IMPLEMENTATION OF THE DECISION

7.1 The Quarter 2 Budget & Performance Monitoring reports are being considered by the relevant Service Committees during October and November 2019, including a full report to the Policy & Resources Committee on 20th November 2019.

7.2 Details of the discussions which take place at Service Committees regarding financial and performance management will be reported to Policy and Resources Committee where appropriate.

7.3 The Council could choose not to monitor its budget and/or the Strategic Plan and/or make alternative performance management arrangements, such as the frequency of reporting. This is not recommended as it could lead to action not being taken against financial and/or other performance during the year, and the Council failing to deliver its priorities.
