Consultation Response

Environment Agency

"We have assessed this application as having a low environmental risk. We therefore have no comments to make.

Non planning consents

Although we have no comments on this planning application, the applicant may be required to apply for other consents directly from us. The term 'consent' covers consents, permissions or licenses for different activities (such as water abstraction or discharging to a stream), and we have a regulatory role in issuing and monitoring them."

Recommendation

The recommendation for permission subject to conditions remains unchanged.
