

Other committees, including Licensing, Planning and Audit have not been included in this diagram.

*Advisory committees participate in the development of executive decisions and help develop the policy framework which is recommended to Council by the Cabinet. They are composed of both non-executive Members and Cabinet Members.

*Scrutiny Committees are responsible for the call-in function as well as the post-implementation review of decisions.

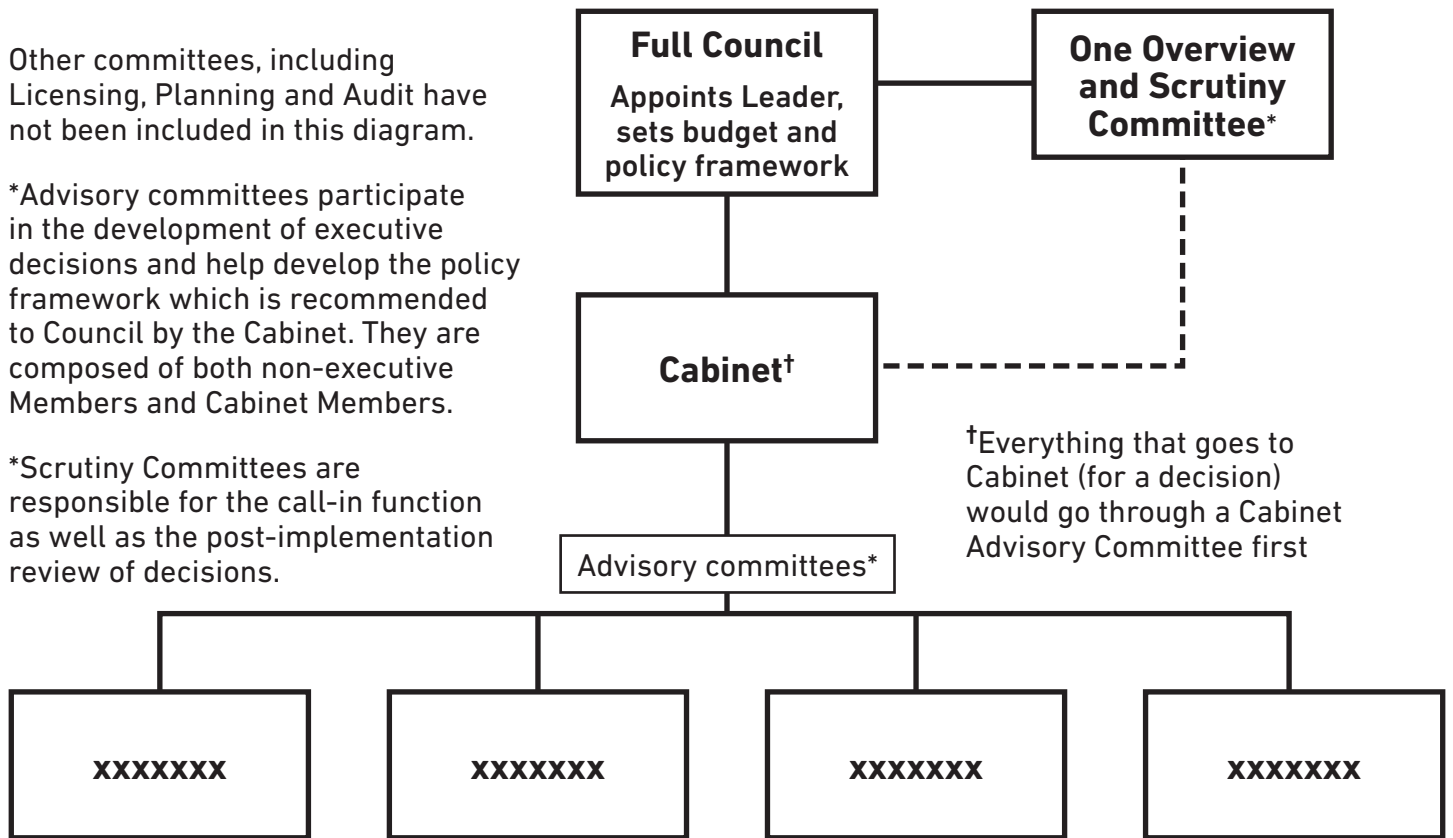

A) Advisory Committees are chaired by the relevant portfolio holder

B) Advisory Committees elect their own chairman
