Question from Councillor J Sams to the Chairman of the Policy and Resources Committee

At the recent full council meeting you gave assurances and said "I am not aware of any instance where briefing has been denied." On Monday of this week some members had a briefing on this councils Heathlands proposal. Both myself and the other Ward member are substitute members. The chief executive confirmed that substitutes were precluded. Do you now feel that your statement was therefore actually correct?

The Chairman responded to the question.

Councillor J Sams asked the following supplementary question:

'Would you agree with me that all Councillors on this Committee and Substitutes who may serve on the Committee, there are three tonight and there were two last time, should have access to the full information to be able to make an informed decision. Obviously when they are at that Committee meeting, they would have a need to know?'

The Chairman responded to the supplementary question.

The full responses were recorded on the webcast and made available to view on the Maidstone Borough Council website. The question-and-answer session took place between minutes 6:20 to 9:40 of the recording.

A further report on the Recovery and Renewal Plan would be presented in October 2021.

RESOLVED: That the amended Committee Work Programme be noted.

56. EXCLUSION OF THE PUBLIC FROM THE MEETING

RESOLVED: That the public be excluded from the meeting for the following item of business because of the likely disclosure of exempt information for the reasons specified, having applied the public interest test:
