

STRATEGIC PLANNING AND INFRASTRUCTURE COMMITTEE – MEETING TO BE
HELD ON 4 OCTOBER 2021

Correction to Item 14 – Maidstone Local Plan Review – Regulation 19
Consultation, Evidence Documents and Sustainability Appraisal Consultation.

Point 2.27, p. 13.

2.27 Chapter 5 provides the spatial strategy for growth that is to be accommodated in the Local Plan Review until 2037 and includes a Key Diagram to illustrate the primary characteristics of the Borough. The strategy meets the objectively assessed need for housing, based on the government's standard methodology, which is currently 17,355 residential units **over the plan period** ~~per annum~~ between 2022 and 2037. It also meets objectively assessed need for employment and retail matters based on specialist studies in this regard. These studies have been updated to reflect the latest information post-Covid and Brexit.
