The concern appears that granting a licence at these premises would increase the level of anti social behaviour in the neighbourhood. The premises could encourage people who buy alcohol late to remain in the area because of a local nearby park. They could potentially use the park to consume their alcohol and ultimately cause disturbance, there is also the potential for criminal activity, criminal damage, theft, burglary, assault and drug taking.

The store could also increase the volume of traffic to the area and to a later time which would increase the danger for residents and children crossing the road. It would also be detrimental to residents with regard to traffic noise continuing later into the evening and increased vehicle parking causing nuisance to residents.

7. Members are advised that applications cannot be refused in whole or in part, or conditions attached to the licence unless it is appropriate to do so to promote the licensing objectives.

8. The Operating Schedule submitted by the Applicant has addressed the licensing objectives in the following manner:

a) General – all four licensing objectives:

On first appointment, all staff employed at the premises will receive training on the Licensing Act 2003 including input on preventing underage sales, preventing sales of alcohol to people who are drunk and any other relevant matters. Training shall be regularly refreshed at no less than annual intervals. The training must be recorded and be accessible on the premises and made available for inspection upon request of a Police Officer or an authorised officer of the licensing authority or (in the case of online training) within 48 hours.

b) The prevention of crime and disorder:

A CCTV system will be in operation at the premises and recorded images shall be retained for a period of 31 days. CCTV images will be provided to the police and other responsible authorities as soon as practicable and in any case within 48 hours of a request for such images, subject of the provisions of the DPA.

c) Public Safety:

An incident register will be maintained at the premises and made available to the authorities on request.

d) The prevention of public nuisance:

A register of refusals of alcohol will be maintained at the premises. The register will be made available for inspection by the Police and other responsible authority.

e) The Protection of children from harm:

The premises will adopt a 'Challenge 25' policy. This means that if a customer purchasing alcohol appears to be under the age of 25, they will be asked for proof of their age, to prove that they are 18 years or older.

Posters will be on display advising customers of the 'Challenge 25' policy.

The only forms of identification that will be accepted at the premises are a passport, UK photo-card driving licences, military ID and cards bearing the 'PASS' hologram.

Relevant policy statements contained in the Licensing Authority's Statement of Licensing Policy:

17.10 Crime and Disorder

17.19 Public Safety

17.22. Prevention of Public Nuisance

17.26. Children from Harm

CONDITIONS TO PROMOTE THE PREVENTION OF CRIME AND DISORDER.

17.10 Under the Act the Licensing Authority has a duty to promote the licensing objectives, and, a further duty under the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the borough.

17.11 Wholesale of alcohol. Since 1 April 2017, businesses which sell alcohol (for example, retailers of alcohol and trade buyers) need to ensure that the UK wholesalers that they buy alcohol from have been approved by HMRC under the Alcohol Wholesaler Registration Scheme (AWRS). They will need to check their wholesalers Unique Registration Number (URN) against the HMRC online database. This is an ongoing obligation and if a business is found to have bought alcohol from an unapproved wholesaler, they may be liable to a penalty or could even face a criminal prosecution and their alcohol stock may be seized. Any trader who buys alcohol from a wholesaler for onward sale to the general public (known as a 'trade buyer') does not need to register unless they sell alcohol to other businesses.

17.12 Examples of trade buyers would be pubs, clubs, restaurants, cafes, retailers and hotels. However, they will need to check that the wholesaler they purchase alcohol from is registered with HMRC.

17.13 The applicant will be expected to detail in their operating schedule how they will prevent crime and disorder on and close to the premises. Such detail should reflect the licensable activities on offer, location and character of the area, the nature of the premises use and the range of customers likely to use the premises.

These may include, but are not limited to, the following:

- Prevention of disorderly conduct and anti-social behaviour
- Prevention of underage drinking
- Prevention of sales of alcohol to intoxicated customers
- Prevention of drunkenness both on and in the vicinity of the premises
- Prevention of drug use and drug dealing
- Restriction to responsible drinks promotions
- Use of safety glass
- Inclusion of a wind-down time following alcohol sales period
- Adequate seating to discourage "vertical drinking"
- The offer of food and snacks or other entertainment or occupation to discourage persistent drinking

17.14 In busier premises the Licensing Authority would usually expect to see a short (e.g.30 mins) 'wind down' or 'drinking up' period allowed for after the cessation time of

entertainment and alcohol sales as this is effective in assisting in a reduction in noise and exuberance of customers before leaving the premises.

17.15 Applicants will be expected to seek advice from the Police and the Licensing Authority will give appropriate weight to requests by the Police for premises to be protected by SIA registered door staff subject to the provision of relevant evidence. Where the Licensing Authority determines after consultation with the police that a premises is one that warrants additional security and monitoring it would expect applicants to include the provision of SIA approved door staff at the premises at appropriate times. Relevant premises are usually those used mainly for drinking alcohol, have later opening hours and are situated within the Town Centre night time economy area.

17.16 Where appropriate, applicants for licences in the Town Centre areas providing mainly alcohol, music and dancing would be expected to consider inclusion of a provision of safety glasses to prevent a risk of injury on the rare occasion that a glass may be used as a weapon.

17.17 The use of CCTV should be considered where appropriate or on the advice and recommendations of the Police and to a quality and standard approved by the Police for evidential purposes. Licensees will be expected to fully comply with the requirements of the Information Commissioners Office and the Data Protection Act 1998 in respect of any surveillance equipment installed at a premises.

17.18 In any application resulting in hearing the sub-committee will consider each application on its individual merits and determine the imposition of conditions that are appropriate to promotion of the licensing objectives.

CONDITIONS TO PROMOTE PUBLIC SAFETY.

17.19 The applicant will be expected to show how the physical safety of persons attending the premises will be protected and to offer any appropriate steps in the operating schedule to promote this.

17.20 Such steps will not replace the statutory obligation on the applicant to comply with all relevant legislation under the Health and Safety at Work etc. Act 1973 or under the Regulatory Reform (Fire Safety) Order 2004.

17.21 Applicants will be expected to have carried out the necessary risk assessments to ensure safe occupancy levels for the premises. Where a representation from the Fire Authority suggests that for the promotion of the Public Safety objective a maximum occupancy should be applied, the Licensing Authority will consider adding such a limit as a licence condition.

Where appropriate an operating schedule should specify occupancy limits for the following types of licensed premises:

- (i) High Volume Vertical Drinking e.g. premises that provide mainly stand up drinking facilities with limited seating/table space and the primary activity is the sale of alcohol.
- (ii) Nightclubs
- (iii) Cinemas
- (iv) Theatres.
- (v) Other premises where regulated entertainment is likely to attract a large number of people.
- (vi) Where conditions of occupancy have arisen due to representations received.

CONDITIONS TO PROMOTE THE PREVENTION OF PUBLIC NUISANCE.

17.22 The applicant will be expected to detail any appropriate and proportionate steps to prevent nuisance and disturbance arising from the licensable activities at the premises and from the customers using the premises.

17.23 The applicant will be expected to demonstrate that they have considered the following and included steps to prevent public nuisance:

- (i) Proximity of local residents to the premises
- (ii) Licensable activities proposed and customer base
- (iii) Hours and nature of operation
- (iv) Risk and Prevention of noise leakage from the premises from equipment, customers and machinery
- (v) Prevention of noise from customers leaving the premises and customer pick up points outside premises and from the Car Park.
- (vi) Availability of public transport to and from the premises
- (vii) Delivery and collection times and locations.
- (viii) Impact of external security or general lighting on residents.
- (ix) History of management of and complaints about the premises.
- (x) Applicant's previous success in preventing Public Nuisance.
- (xi) Outcomes of discussions with the relevant Responsible Authorities.
- (xii) Impact of location, noise and contamination from outside smoking areas on neighbours and other customers
- (xiii) Collection of litter arising from the premises

17.24 Steps to prevent public nuisance may include a range of options including noise limiting devices, sound insulation, wind down periods, acoustic lobbies, management of smoking areas etc.

17.25 Steps will differ depending on the individual premises and activities and it is for the applicant to ensure that reasonable, effective and appropriate steps are included within the operating schedule.

CONDITIONS TO PROMOTE THE PROTECTION OF CHILDREN FROM HARM.

17.26 Applicants will be expected to detail any appropriate and proportionate steps to protect children at the premises from any harm. The Licensing Authority recognises the right of licensees (serving alcohol) to allow accompanied children into their premises. The Licensing Authority would not seek to restrict access by children (above that specified in the Act) unless it is necessary for the prevention of physical, moral or psychological harm.

17.27 Steps to protect children from harm must be carefully considered for inclusion where:

- (i) There is entertainment or services of an adult nature provided.

- (ii) There have been previous convictions for under age sales of alcohol.
- (iii) There has been a known association with drug taking or dealing.
- (iv) There is a significant element of gambling on the premises.
- (v) There is a presumption that children under 18 should not be permitted entry such as to nightclubs (apart from when specific events are held for under 18's).
- (vi) Outcomes of discussions with relevant Responsible Authorities suggest such steps are applicable.

17.28 Nothing in the Licensing Act prevents licensees from excluding children from a licensed premises and no condition can be added to require the admission of children.

17.29 Where there are no matters that give rise to concern in respect of children at premises the Licensing Authority would expect to see the relevant box on an application form completed to specify NONE.

10 Options

Legal options open to members –

1. Grant the licence subject to conditions as are consistent with the operating schedule accompanying the application.
2. Grant the licence with modified conditions
3. Exclude a licensable activity
4. Refuse to specify the DPS
5. REJECT the whole or part of the application

Members of the Licensing Act 2003 – Licensing Sub – Committee are reminded of their duty under section 17 of the Crime and Disorder Act 1998 to consider the crime and disorder implications of their decisions and the Licensing Authority's responsibility to co – operate in the reduction of crime and disorder in the Borough

Section 17 of the Crime and Disorder Act 1988 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can prevent, crime and disorder in its area".

11. Implications Assessment

The decision should be made with regard to the Secretary of State's Guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal/challenge is increased.

12. Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to Fair Hearing
- Article 10 – Freedom of Expression
