1. This certificate is given after an examination of the vehicle referred to therein, and relates only to the condition of the vehicle, its equipment and accessories at the time of that examination and in so far as its conditions and equipment and accessories were required to be examined for that purpose. The certificate must not be taken as relating to the condition of the vehicle or its equipment or accessories at any other time or in any other respect.
2. It is an offence to use on public roads any Hackney Carriage/Private Hire Vehicle which is subject to periodic test, unless an MOT Test Certificate or Certificate of Compliance is in force relating to that vehicle. This certificate must therefore be renewed on or before its expiry date if the vehicle is to continue in use. The Maidstone Borough Council will not issue a Hackney Carriage/Private Hire vehicle licence unless a valid Certificate of Compliance is produced.
3. You are advised to keep this certificate readily available while in force. In the case of vehicles subject to periodic test, a Police Officer may require production of an effective MOT Certificate or a Certificate of Compliance and one must be sent or produced with an application for a licence for the vehicle.
4. If you lose this certificate, provided you are able to quote either the workshop Job Serial Number or the approximate date of issue, a duplicate may be obtained from the vehicle Examiner/Inspector who carried out the examination of the vehicle.
