## Engagement Survey

We would like to hear your views on whether the draft Kent Joint Health and Wellbeing Strategy focuses on the right key health, social care and wellbeing issues for people in Kent. Please use this questionnaire to tell us your views.

### 1. Our Vision

Our vision in Kent is to deliver better quality care, improve health outcomes, improve the public's experience of health and social care services and ensure that the individual is at the heart of everything we do.

***Do you agree with our overall vision? (Please tick one)***

- Yes
- Partly
- No
- Don't know

***What was the reason for your answer?***

***Is there anything you would like to see changed about the vision? For example anything you would like to see added, rephrased or removed?***

### 2. Health and Wellbeing Strategy Priorities

The draft strategy identifies the following four priorities for Kent.

***To what extent do you agree with each of these priorities?***

	<b>Strongly agree</b>	<b>Agree</b>	<b>Neither agree or disagree</b>	<b>Disagree</b>	<b>Strongly disagree</b>
<b>Priority 1:</b> Tackle key health issues where Kent is performing worse than the England average.					

<b>Priority 2:</b> Tackle health inequalities					
<b>Priority 3:</b> Tackle the gaps in provision and quality.					
<b>Priority 4:</b> Transform services to improve outcomes, patient experience and value for money.					

***Are there any priorities you would like to see added? If so, which of the current priorities would they replace?***

***How would you rank the four currently proposed priorities in order of importance? (Please rank them 1-4, with 1 being the most important)***

### **3. Health and Wellbeing Strategy Outcomes**

The Kent Joint Health and Wellbeing Strategy aims to identify the health and social care outcomes we want to achieve. To this end, we are proposing to focus on 5 key outcomes. These are:

1. Every Child has the best start in life
2. People are taking greater responsibility for their health and wellbeing
3. The quality of life for people with long term conditions is enhanced and they have access to good quality care and support
4. People with mental ill health are supported to live well
5. People with dementia are assessed and treated earlier

**To what extent do you agree with each of these outcomes as a means of measuring our success?**

	<b>Strongly agree</b>	<b>Agree</b>	<b>Neither agree or disagree</b>	<b>Disagree</b>	<b>Strongly disagree</b>
<b>Outcome 1:</b> Every Child has the best start in life					
<b>Outcome 2:</b> People are taking greater responsibility for their health and wellbeing
